

FORTY LOSE LIVES IN GULF HURRICANE

Most of Deaths Reported
Occur in Frier and
Manshac, La.

LOW DISTRICTS FLOODED

Seven Are Dead at New Orleans
and Property Damage Reaches
Nearly \$2,000,000

150 PERSONS ARE INJURED

MOBILE, Ala., Sept. 30.—The West Indian hurricane that spent its force last night against New Orleans took a toll of at least two score lives and did extensive property damage at smaller cities and resorts along the central gulf coast, according to advices coming in slowly tonight over crippled lines of communication.

Twenty Dead at Frier.

Most of the loss of life reported was in Frier and Manshac, La. The railroad agent at the former town telegraphed that eight white persons and seven negroes had been drowned and many injured when the wind drove the waters of Lake Ponchartrain into the streets. At Manshac 10 miles farther north a railroad section foreman and sixteen negro laborers were reported drowned.

Two children lost their lives in Pascagoula, Miss., when a house was demolished and two men were electrocuted here by wires torn down by the storm. Several other deaths were reported in isolated sections.

Low Districts Are Flooded.

Low districts of a number of other cities and villages along the coast are flooded. Three feet of water is reported at Slidell, La., near the east bank of Lake Ponchartrain and property damage there from wind is said to be great. Water is said to be two feet deep in the streets of Caden Miss. and the bay front shell road there inundated to a depth of six feet. Three miles of railroad track near Ruddock, La., has been washed away.

At Gulfport, Miss., four steamers, including the British steamer Birchwood of 1,800 tons, were washed over the wharves and are now fast aground. Fifty or sixty persons are reported marooned in box cars at Frier and miles of track in that section has been swept away. The New Orleans and Northwestern railroad bridge over Lake Ponchartrain is under several feet of water.

Seven in New Orleans Lose Lives.

New Orleans, La., Sept. 30.—Via Baton Rouge.—Unofficial estimates today placed the property damage in New Orleans from yesterday's storm at nearly \$2,000,000 and the loss of life at seven. It was estimated that at least 150 persons were more or less seriously injured by the collapse of buildings, falling signs or flying glass.

Scarcely a large plate glass window remains in tact in the downtown section and many stocks of goods were damaged by wind and rain. Signs, telegraph, telephone, electric light poles, wires and debris from damaged buildings littered streets today and hundreds of structures were unroofed or demolished in various parts of the city.

In the Cumberland Telephone company's exchange, fifteen persons, mostly girls, were injured when all the windows in the east front on the floor where they were working crashed in.

The maximum velocity of the wind was reported by the weather bureau as between 120 and 130 miles an hour. The wind blew at this rate for one minute, between 5:30 and 6 o'clock last night. The highest sustained velocity was 86 miles, about 5:40 p.m.

For more than seven hours the hurricane swept over the city at a rate of more than sixty miles an hour the lowest mark registered by the barometer was 28.11 at 5:30 p.m., which, according to local weather bureau officials is the lowest mark ever registered in the United States.

Keep Police and Firemen Busy.

Police and fire departments were kept busy responding to calls for assistance and investigating reports of collapsed buildings. Two hundred young women were removed by the police in automobiles and police vehicles from a cigar factory threatened with destruction just before midnight. They were housed in the criminal courts building until the storm abated. Numerous school buildings and churches were destroyed or badly damaged by the wind. Approximately 8,000 telephones were rendered useless and trolley service was suspended after 3 o'clock yesterday afternoon. Lake Ponchartrain rose twelve feet during the storm, sending water over the sea wall and flooding streets in Metairie.

Limited trolley service was begun shortly before midnight but the streets were so littered with debris that the company an hour later withdrew the few cars which attempted to traverse the regular routes. Communication with Louisiana points on the gulf coast was cut off early yesterday but last reports were that the inhabitants had fled to high

G. A. R. NAMES K. C. FOR 1916 ENCAMPMENT

ELECTION OF OFFICERS FOR COMING
YEAR WILL BE HELD TODAY

Misunderstanding Results in Thousands of Veterans and Their Families Flocking to the White House to Attend Reception—All are Admitted.

Washington, Sept. 30.—Kansas City was selected as the place for the 1916 encampment of the Grand Army of the Republic. The Grand Army now meeting here, made the choice by almost unanimous vote. The election of officers for the coming year will take place tomorrow.

Thousands Flock to White House.

While the business session was in progress, thousands of veterans and their families flocked to the white house. There through a misunderstanding, what had been planned as a brief reception for a few hundred member of organizations affiliated with the G. A. R., developed into a rush during which nearly 5,000 old soldiers and their wives shook hands with President Wilson. For two hours they filed through the historic east room, each receiving a smile and a handshake from the president.

Arrangements had been made for the president to greet members of the Loyal Legion the association of ex-prisoners of war, officers of the Union Army and members of the Woman's Relief Corps.

Tumulty Restores Quiet.

A report gained circulation however, that all G. A. R. visitors were invited and to add to the confusion many of those in the crowd that appeared when the hour for the reception arrived wore badges which they said had been sold them at 25 cents, with the understanding that they would admit the wearers to the white house. Excited men and women clamored for admission at all the gates where the policemen had instructions to admit only those wearing a certain kind of badge. When the trouble was at its height Secretary Tumulty hurried out and restored quiet by ordering that everybody be permitted to enter.

Already several men and women had fainted and others were so exhausted that they had to be taken inside the white house and revived.

Considerable routine business was transacted during the encampment's business session. When it came time to decide upon the place of meeting next year the names of Atlantic City and Kansas City were offered. Later however, support was withdrawn from Atlantic City and Kansas City was selected by an almost unanimous vote.

Will go to Arlington.

Tonight a number of committee meetings, camp fire reunions and receptions occupied the attention of the veterans and their families. After the business meeting tomorrow morning will go to Arlington National cemetery to attend the services incident to the laying by President Wilson of the corner stone of the Arlington Memorial Amphitheater. Thousands of the veterans left Washington today. To those who departed the parade of yesterday was the crowning event of the encampment.

The Woman's Relief Corps, an auxiliary of the G. A. R., organized thirty three years ago, held its annual meeting tonight and elected Mrs. Carrie Alexander-Bahrenberg of Belleville, Ill., president over three other candidates.

The corps also voted from its treasury a gift of \$1,000 to be used as G. A. R. officials see fit.

GIVES ADDITION DETAILS.

London, Sept. 30.—J. Austen Chamberlain, secretary for India, this evening gave out additional details of the British success against the Turks in Mesopotamia, in which the previous report said that the Ottoman forces were in full retreat toward Bagdad with the British in hot pursuit. Tonight's statement says the British cavalry entered Kut-el-Amara, 90 miles southeast of Bagdad on the Tigris river, Wednesday.

TESTIFY AGAINST BELLS.

Indianapolis, Ind., Sept. 30.—The bell on the voting machine continued to ring and there was a rattle as if the machine was being voted as the polls closed in the fourth precinct of the fourth ward, according to Albert Snyder, who testified today at the trial of Mayor Joseph E. Bell, charged with election conspiracy. Another witness told of being threatened by Chief of Police Samuel V. Perrott, a co-defendant, if he did not work for the Democrats.

St. Joseph, Mo., Sept. 30.—"Champ Clark Day" is the name of the Democratic round-up which will bring the political leaders to St. Joseph tomorrow. Senators Stone and Reed will be present, and Speaker Clark will make an address.

ground further inland before the storm broke.

Officials of railroad and telegraph companies said today it would be several days before normal service between New Orleans and the outside world was restored. With the exception of the wireless plant aboard the Southern Pacific Steamship "Excelsior" in port here, all the radio stations also went out of commission.

ONE DEAD; ONE DYING FROM MINE BLAST

Explosion Occurs in Logan
Coal Company Mine
at Hanna City

RESCUE SEVENTY-FIVE

Score of Workmen Dig Way
Through Slate and Rock, Re-
leasing Imprisoned Miners

INSPECTORS BEGIN PROBE

PEORIA, Ill., Sept. 30.—One man is dead and another is fatally injured as the result of an explosion in the mine of the Logan Coal company at Hanna City, early tonight.

The dead: Martin Perritt, 40; Hanna City. The injured: Frank Robinson, 32, Hanna City; will die.

Seventy-seven miners were in the mine at the time of the explosion. Robinson and Perritt were shot-firers and were in the act of firing a shot when the explosion occurred. Slate and rock cut off escape of the seventy-five men who were working a short distance away. Night Mine Manager Fred Walters organized a rescue crew, invaded the mine and brought out Perritt and Robinson. Fire followed the explosion and it was two hours before the flames could be controlled and work begun on rescuing the imprisoned men.

A score of workmen dug their way through slate and rock, releasing the 75 men. None of them were injured. The explosion occurred 250 feet under ground and one mile from the mine shaft. The damage to the mine is considerable. Two state mine inspectors were in Hanna City at the time of the explosion and have started an investigation.

NAFARRATE ANNOUNCES THE CAPTURE OF FIVE SANDITS

BROWNSVILLE, Texas, Sept. 30.—Announcement that five Mexican-American bandits, one of them wounded and all of them chased across the Rio Grande by American troops, have been arrested on the Mexican side of the river, was made tonight by Brig. Gen. E. P. Nafarrate, Carranza commander at Matamoros.

At the same time he said was investigating the reported gathering of 500 Mexicans near Progreso crossing with the apparent intention of invading the United States.

DR. DRAKE TERMS SANGAMON RIVER WATER DILUTED SEWAGE

SPRINGFIELD, Ill., Sept. 30.—Sangamon river water is nothing less than diluted sewage, according to a statement issued today by Dr. C. St. Clair Drake, secretary of the state board of health.

This fact, according to Dr. Drake, is responsible for the epidemic of typhoid fever in Menard county. Within a period of ten days 150 cases developed in the county. There have been six deaths thus far.

With one exception according to sanitary engineers of the board of health the victims acquired the disease from drinking well water on the chautauqua grounds at Petersburg, Ill. The chautauqua wells were polluted with the Sangamon river water during recent floods which completely submerged the wells.

"The one victim whose case is not traceable to drinking the well water went swimming in the Sangamon", said Dr. Drake.

THOMPSONS TO SELECT
A "MISS CHICAGO."

Chicago, Sept. 30.—Mayor William Hale Thompson and his wife today were asked to select a "Miss Chicago" to represent the city in a tableau in connection with the opening of the Dixie Highway on Oct. 9. The request came from the commissioners of the highway in a letter asking the mayor and his wife to suggest a young woman who typifies Chicago. Two young women will take part in the tableau one representing Dixie and the other the spirit of the great lakes.

GUARD DAWES' RESIDENCE.

Chicago, Sept. 30.—Two guards were on duty tonight outside the suburban residence of Charles G. Dawes, president of the Central Trust company of Illinois, the first Chicago banker to announce his intention to recommend subscription to the proposed \$500,000,000 loan of the allies. The guards were put there on the insistence of Mr. Dawes' friends, after they had learned of the receipt of several threatening letters.

SUES FOR AN ACCOUNTING.

Alpena, Mich., Sept. 30.—Miss Lucille Covington, in whose behalf a suit for \$100,000 was filed in New York yesterday against the Rev. John Wesley Hill, declared tonight in action was not for breach of contract but for an accounting for money he had given Mr. Hill to invest.

Brief Items of Interest

SPARTANBURG, S. C., Sept. 30.—Montague Nicholls, quarterback on the naval academy football team in 1911 and a second lieutenant in the British army, was killed in action in France early this week.

BERLIN, Sept. 30.—(By Wireless to Tuckertown, N. J.) The death on the field of battle of Lieutenant von Pohl, the only son of Admiral Hugo von Pohl, is announced by the Overseas News Agency.

NEW YORK, Sept. 30.—The steamer Espana arrived today from Bordeaux two days late, having been held back by terrific gales during the last half of the voyage.

NEW YORK, Sept. 30.—The increase of \$300 in the state retail liquor license fees which became effective tomorrow will force 600 saloons out of business in Manhattan and Brooklyn and reduce the city's revenues about \$360,000, according to estimates of the officers of retail liquor dealers' associations.

WASHINGTON, Sept. 30.—The state department has placed an informal request before Count von Bernstorff, the German ambassador, asking that he use his influence with the German government to interfere in behalf of the Armenians in Turkey.

WASHINGTON, Sept. 30.—Sir Cecil Spring-Rice, the British ambassador, personally delivered to Acting Secretary Polk at the state department today a safe conduct under which Dr. Dumba, the Austrian ambassador, will return to Vienna.

PITTSBURGH, Pa., Sept. 30.—C. J. Marshall, state veterinarian of Pennsylvania, today issued an order closing Pennsylvania against receipts of livestock from the districts in Illinois which are under quarantine because of the foot and mouth disease.

OMAHA, Sept. 30.—After spirited debate in which charges of "treasonable utterances" were made, the Farmers' National congress today adopted resolutions endorsing President Wilson's foreign policy.

DIES MOINES, Sept. 30.—Members of the state railroad commission had before them today the notice of Robert Abeles, of St. Louis, that he would refuse to comply with their order in reference to the resumption of train service on the Atlantic Southern railroad.

LONDON, Sept. 30.—Preference for continuation of the volunteer system is said to have been expressed by Earl Kitchener at a meeting of labor executives. He said, however, that the present rate of recruiting was not equal to the needs.

WASHINGTON, Sept. 30.—President Wilson will greet the Daughters of the American Revolution at her silver jubilee in honor of the 25th anniversary of the founding of the society on Oct. 11 at Memorial Continental hall here.

LOS ANGELES, Cal., Sept. 30.—Miss Clio Davenport, sister of the late cartoonist, Homer Davenport, is dead and her fiancé, Frank Trevers, an official of the Panama-Pacific Steamship company, is in a precarious condition today as the result of an automobile accident at a downtown corner late last night.

NEW YORK, Sept. 30.—Serbia has an army of about 600,000 men in the field to resist invasion of that country by the Teutonic Allies, according to information received by the Serbian agricultural relief committee from Prof. Losanitch of the University of Belgrade.

CAPE HAITIEN, Sept. 30.—The Haitian rebels who have been resisting the American troops, resulting in several fatal encounters recently, have agreed to lay down their arms. A conference was held yesterday between the principal rebel leaders and American officers.

NEW YORK, Sept. 30.—Discoveries, which according to Prof. Mitchell, director of the Museum of the American Indian, indicate that there was an ancient city in Honduras which was the center of a high civilization were made public today.

LONDON, Sept. 30.—The British casualties in the recent offensive action on the western front included Lieutenant-General Sir Thompson Capper and Major-General G. H. Theigier, both killed.

ATHENS, Sept. 30.—The Greek chamber in a special session today ratified the action of the government in decreeing a general mobilization of the army and authorized a loan of \$30,000,000.

NEW MARKET, Eng., Sept. 30.—The Jockey Club stakes, 14 miles, the only \$50,000 race of the present English turf season, was won here today by Lanius, Dame Prudent, second, Gadabout third.

ATHENS, O., Sept. 30.—Hocking Valley coal miners today prepared for the closing of three-fourths of the mines in this district, as predicted by operators, following refusal of the miners in a mass meeting here yesterday to grant wage concessions asked by the operators. The mine managers declared their working would remain closed until April 1, 1916, when a new wage scale will be made.

TO CONSIDER NEW INDUSTRIAL PLAN

Rockefeller Announces
Conference Will Be Held
at Pueblo Saturday

GIVES NO DETAILS

John D. Jr., Terms Plan "Broad-
er and More Democratic
Than Unionism"

NOT AN ATTACK ON UNIONS

DENVER, Colo., Sept. 30.—An industrial plan which John D. Rockefeller, Jr. characterized as "broader and more democratic than Unionism" will be submitted to officers and employees of the Colorado Fuel & Iron company at Pueblo, on Saturday. Announcement of the meeting was made by Mr. Rockefeller tonight. At the conference besides Mr. Rockefeller will be the principal operating officials of the company, all the mine superintendents and the grievance representatives of the various Colorado camps. Between fifty and sixty men are expected to attend.

In discussing the meeting Mr. Rockefeller declined to make public in advance any details of the industrial plan which has been worked out by himself and W. L. Mackenzie King, in collaboration with President J. F. Welborn and other officers of the company. He said, however, that it was in no sense an attack upon union labor.

"At the outset of the late strike in 1913", he said, "the company took the position that every man was entitled to work on his own terms and conditions—that he should be free to join a union or not. That position when stated by me before the congressional strike investigation commission was misconstrued in some quarters as a statement that we were fighting organized labor."

"What my statement meant and what the position of the company's officers meant, was that we did not care to join a union should be forced to do so as would have been the case if we had signed the contract tendered by the United Mine Workers of America. This is the position which I always have maintained."

BRADY KEEPS OFFICE OPEN LATE MAKING FINAL PAYMENTS

SPRINGFIELD, Ill., Sept. 30.—State Auditor James J. Brady kept his office open until shortly before midnight tonight making final payments on appropriations passed by the forty-eighth general assembly. Under the law the appropriations lapse at midnight.

State officers and members of various committees entitled to spend money appropriated in 1913 filed in to the auditor's office all day long. The unexpended balance of appropriations was not expected to be large.

JAP DENIES CHARGE.

Berkeley, Cal., Sept. 30.—Accused of disposing of valuable paintings placed in his charge for sums far less than their value, Lee Kee Sen was in the custody of the police. The prisoner is accused by Lu Sun Fu and Wong Fu of this city of hypothecating paintings valued at \$32,000. Sen denies he sold the pictures illegally claiming that he was delegated to do so.

QUESTION VENTUREMEN REGARDING THEIR POLITICS

Morris, Ill., Sept. 30.—Prospective jurors in the case of C. B. Munday, on trial here on a charge of venue from Cook county on a charge of wrecking the LaSalle Street Trust & Savings Bank of Chicago, were questioned closely today by the prosecution regarding their political beliefs and their acquaintance with Munday and former United States Senator William Lorimer.

LUMBER DEALERS CLOSE CONVENTION.

Peoria, Ill., Sept. 30.—The annual convention of the Illinois Lumber Dealers' association closed here today. Addresses were made by E. E. Hooper of Chicago and W. G. McRoberts of Peoria. The election of officers was postponed until the April session.

FIND BODY ON FATHER'S GRAVE.

Peoria, Sept. 30.—Jonas Ewalt, a business man of Yates City, Ill., who has been missing since Sept. 20 was found dead tonight on his father's grave in the cemetery at Elmwood, Ill., near here. There were no outward evidences of his committing suicide. A coroner's inquest will be held tomorrow. The body was badly decomposed, having lain in the open for at least a week.

INCREASE PAY OF SOLDIERS.

Paris, Sept. 30.—The chamber of deputies in a five minute session today voted unanimously for increasing the pay of private soldiers from one cent to five cents per day.

STRIKE RESULTS IN DEATH OF YOUTH

BOY IS KILLED BY COLLAPSE OF
HOUSE UNDER WHICH HE HID

Score of Arrests and Many Disturbances Mark Fourth Day of Garment Workers Strike—Majority of Those Arrested Demand Jury Trials.

Chicago, Sept. 30.—The fourth day of the strike of Garment Workers resulted in one death, a score of arrests and many disturbances.

Leo Schroeder, 10 years old, was killed by the collapse of a house under which he took refuge during a rioting affray ascribed to trouble with strike sympathizers.

The most serious disturbance of the day occurred in a building in the heart of the business district. Five hundred persons invaded the building, crying to those at work to join in a walkout. A riot call was turned in and they were driven across the river after a hand-to-hand struggle with a large guard of policemen.

A delegation of labor officials called on Mayor Thompson today and protested against what they alleged has been brutality on the part of policemen assigned to quelling strike disturbances. The majority of those arrested today demanded jury trials, which, in most instances were granted them.

Tonight union leaders claimed that rapid strides were being made in the strike and that the number who had quit work exceeded 25,000. Representatives of the manufacturers however, ridiculed these claims and said that but 2,000 still remained on strike.

COURT OF INQUIRY CONDUCTS PROBE INTO GASOLINE EXPLOSION

ARDMORE, Okla., Sept. 30.—A court of inquiry is conducting an investigation into Monday's gasoline explosion here.

This inquiry will be continued from day to day.

At the city hall, where the investigation conducted by the city commission before the state corporation commission is under way, it was learned that evidence is being obtained with which to fasten the cause of the explosion. S. T. Bleasoe of Chicago, general attorney for the Santa Fe railway system, has asked permission to go over evidence.

W. F. McMurray and J. O. Lewis arrived here today to conduct an investigation for the federal bureau of mines they are connected with the gas conservation bureau in Oklahoma.

INDICT "CHICKEN JOE" CAMPBELL FOR THE MURDER OF MRS. ALLEN

JOLIET, Ill., Sept. 30.—"Chicken Joe" Campbell was indicted today for the murder of Mrs. Odette Allen, wife of the former warden of the penitentiary here. Campbell is a negro who was sentenced for murder from Cook county and was a trusty at the penitentiary and a servant in the family quarters of the Allens. After a fire in the prison last June the body of Mrs. Allen was found in her partly burned bed under circumstances that indicated she had been murdered. The testimony of other prisoners pointed to Campbell and he was transferred after being held by a corner's jury from the penitentiary to the Will county jail.

RUSSIANS ELECT A JEW.

Petrograd, via London, Sept. 30.—Representatives of commerce and industry have elected M. Weinstein a member of the council of empire. He is the first Jew to sit in the council and his election is regarded as an endorsement of recent demands for equality of treatment of races and religions.

BALEPUL GIVES REASON FOR WITHHOLDING FIGURES

London, Sept. 30.—A desire for absolute precision was advanced by Arthur J. Balfour, first lord of the admiralty in the house of commons, this afternoon as the reason for not making public figures on German submarine losses.

LIMIT SERVICE IN PHILIPPINES.

Washington, Sept. 30.—Under the appropriation act of last March, no officer or enlisted man of the army shall, except upon his own request be required to serve in a single tour of duty for more than two years in the Philippines or in the Canal Zone. This provision goes into effect tomorrow, October 1.

WERE GUESTS IN CITY.

Mr. and Mrs. Abner Schaeffer and Mrs. Harry Schaeffer and daughter, Wilma of Arenzville and W. K. Mertz and Miss Emma Norton of Chandierville, drove to the city Thursday in Mr. Schaeffer's International car and were guests of Mrs. Gertrude Richardson on East College avenue.

Samuel Boylan, clerk at the Grand hotel, is a native of New Orleans. His parents, three brothers and three sisters still live there and because of the terrible storm he feels very anxious regarding their safety.

The South Side Circle will meet with Mrs. Platt on Route street this afternoon at 2:30 o'clock.

VIOLENT BATTLE RAGES IN FRANCE

Germans Admit Loss of
Position to the North
of Massiges

BREAK THROUGH LINE

Von Hindenburg's Troops South-
east of Vilna Capture a
Thousand Muscovites

DRIVE RUSS ACROSS STYR

LONDON, Sept. 30.—While the Anglo-French troops in Artois apparently are now simply engaged in consolidating the ground won and opposing the German counter-attacks, the battle for the German second line of defense in Champagne—the collapse of which would acutely menace the greater part of the German soldiers in the west—is proceeding with the greatest violence.

Germans Repulse Attack.

The French having gained a footing in the second line and some of them even went right through but, encountering German reserves, were unable to maintain their progress. According to the German account, these latter troops were captured or exterminated.

The Germans, however, admit the loss of Hill 191, to the north of Massiges, where the French are not far from consolidating the ground won and opposing the German counter-attacks, the battle for the German second line of defense in Champagne—the collapse of which would acutely menace the greater part of the German soldiers in the west—is proceeding with the greatest violence.

It is believed here that besides the gain of ground both in Artois and Champagne and the improved position of the allies generally, the recent successful operations must soon relieve the pressure on Russia and perhaps prevent the Austro-Germans from sending any large force against Serbia. Already large reinforcements for the Germans are arriving on the western front and their presence has already had the effect of slackening somewhat the allies' offensive. But there is a possibility of the offensive breaking out on some other section of this front. In fact the correspondent of the Koelnische Zeitung at German headquarters announces that an attack was made east of Auberville, which he says was repulsed.

Break Through Russ Position.

Field Marshal Von Hindenburg, while he claims to have made some progress in his operations against Dvinsk, is still a long way from that city. His troops to the southeast of Vilna, however, have better success. They have broken through the Russian position and captured a thousand prisoners. It is believed that this is the first stroke in his latest blow against the Russian right and that he intends to advance southeastward in the direction of Minsk and endeavor to cut off the Russians retreating from Baranovich.

South of the Pripiet marshes, in which Field Marshal Von Maskensen and his troops are stuck, the Russians have been driven back across the Sty river but along the Galician border they are still hammering at the Austro-German armies.

Greece Continues Preparations.

In London it is felt that Bulgaria now has abandoned any aggressive action she might have intended against Serbia but an Athenian dispatch says the situation is still considered serious and that Greece is going on with her preparations for eventualities. The crisis also, which might have resulted in the formation of a Rusophile cabinet is said to have averted the king having refused to accept resignation of M. Toncheff, the minister of finance who has pro-German tendencies.

GRANT HILLSTROM A REPRIEVE.

Salt Lake City, Utah, Sept. 30.—On the request of President Wilson telegraphed today from Washington, Gov. William Spry granted a reprieve until Oct. 16, to Joseph Hillstrom, sentenced to be shot tomorrow after having been convicted of murdering J. G. Morrison, a grocer, and Morrison's young son here in January, 1914.

WEATHER FORECAST AND TEMPERATURES.

WASHINGTON, Sept. 30.—Illinois—Cloudy and unsettled Friday; Saturday fair and slightly warmer.

A Settled Question.

Attention was called to the fact yesterday that there will be no local option election this fall. The time for filing petitions which would make such an election necessary has passed and no such election could now be legally held this November. As a matter of fact, few people have given any thought to the subject for the majority in the 1912 election was so decisively in favor of a saloonless Jacksonville that it was generally accepted that the city had become permanently dry. It is the best thing for the city as a whole to have this question considered as settled and certainly as long as women have the right to vote it is not likely to be heard of again.

Cannot Fix Resale Price.

Retail grocers are greatly interested in recent court decision wherein a corn flakes company was enjoined from fixing the resale price of its products. The decision is of wide importance because it establishes a precedent against the fixing of resale prices by manufacturing concerns. The government brought suit against the company in December, 1912, and the case has been pending since that time. The government contended that the action of the company in attempting to fix retail prices was not fair either to the retail merchant or to the public. It was maintained that the merchant has the right to fix his own price and to give away a product if he so desires and naturally the lower the price the greater the advantage to the consumer. A great many articles are on the market on which the manufacturer fixes the selling price, but in most instances the manufacturer makes no effort to compel the retailer to observe such a price. The whole matter is based largely upon individual rights and upon the laws of competition.

Liquor Men See Light.

Members of the Illinois Liquor Dealers' Protective association in session in Springfield have gone on record for higher standards in the conduct of saloon business. They declare in favor of observance of existing law and that cabaret performances be separated from the saloon business, and that a higher moral tone prevail in saloon conduct. No matter what the motives of the saloon men are, they certainly are taking a right viewpoint from their own standpoint. The total disregard for existing laws shown in such large measure by saloons everywhere has been one of the very great factors in increasing local option territory. Many a man has voted against the saloon who from his own personal standpoint would rather have the institution in the community, but recognized the baleful influence of the business conducted with such evident disregard of the laws of the land and the sentiments of the people.

A Point for Road Officers.

It is probable that a number of road commissioners in Morgan county are not familiar with the order issued by the state highway department that there be no grading of roads after Sept. 1. The road law is such that the state commission has authority to prosecute if there are violations of this order. Experience has shown that as a rule grading work on roads late in the fall does not allow sufficient time for the earth to settle before freezing weather comes, and as a result the roads

are in worse condition during the winter season than they would have been had there been no attempt at grading. Morgan county roads are in much better condition generally than was true several years ago, but there still needs to be some intelligent grading work done in several road districts when such work is lawful. It is true that there are several stretches of road in the county which were "worked" during recent weeks and are now in very satisfactory condition. In some instances no crown was made after the grading and in others proper consideration was not given to drainage.

Success and Failure.

A writer in Leslie's Magazine inquires:

Why do some men succeed in business and others fail?

Why, when a business has been successfully developed by a brainy man, does it fail when it falls into another one's hands?

Why does a business that has failed under one management succeed under another?

Why do some men make fortunes by securing control of a bankrupt property and putting it on its feet?

Why does one family grow up with its members intelligent, conscientious, clean and wholesome, while members of a neighboring family are indolent, improvident, dependent and perhaps criminal?

Why does church membership grow smaller and the crowds around the demagogues at street corners grow larger?

Why does a man receiving good wages and working comfortable hours listen to a wandering agitator who tells of a Utopia where labor is unnecessary and where the state will support the people?

Why? What's the answer?

A Prayer Letter.

A number of local people have received copies of a chain letter worded as follows: "Dear friend: The following prayer was sent to me by a friend, with the request that I send it to nine persons in nine days. I am complying with the request and I am sending the prayer to you as one of my nine friends. Yours very truly," Then the prayer is quoted as follows: "O Lord, I implore Thee to bless all mankind. Bring us to Thee, keep us to dwell with Thee."

The letter further reads like this: "This prayer is to be sent all over the world. It was said in ancient times that all who wrote it would be free from calamity and misfortune and all who passed it would meet with some calamity or misfortune. Copy it and send to nine of your friends in nine days, and on the tenth day you will meet with some great joy. Don't break this chain."

Chain letters, a few years ago were deemed illegal but the reason was because in most instances the writer was expected to enclose ten cents. Just the purpose behind the letter above does not appear. It does not seem to breathe so much of deep religious impulse as it does of an appeal to fear or superstition. Several Jacksonville men who are not reputed to be especially long on praying have received this letter and declare they are honestly afraid to break the chain and that it's easier to write prayers than to say them anyhow.

The Supervision of Patients.

A correspondent of the Springfield News-Record makes the charge that Illinois does not furnish sufficient funds for state insane hospitals to permit the employment of a sufficient number of attendants. This statement is based on the fact that a patient at Jacksonville state hospital was recently able to commit suicide by hanging himself from a bed post with a towel during the absence of the attendant. The correspondent goes on to maintain that one attendant cannot possibly be expected to give careful attention to thirty-six patients and see to it that these patients are properly fed and given necessary baths.

The correspondent declares that is a great reflection on the Illinois legislature that appropriations are so cut down for the state hospitals that more help cannot be secured, while at the same time funds are found for senators and legislators to travel about the country with members of their family and friends on various junketing expeditions.

The full details of the recent suicide are not at hand and it must be admitted that the Illinois legislature does authorize the expenditure of a vast amount of money for nearly useless purposes, yet it is true that no matter how much money is appropriated for the employment of attendants at an insane hospital, such happenings as the one referred to are certain. It would be wholly impossible to secure enough attendants to have each patient watched every moment, and it must be remembered, too, that patients sometimes develop suicidal mania suddenly. Those known to have this special phase of insanity are kept under observation as strictly as possible, but in institutions of this kind, both public and private, suicide cases are bound to happen occasionally.

BOYS AND MEN WANTED

Young boys and men of this community will have amusements and associations of some kind. Either under good or bad influences. The Young Men's Christian Association was organized especially for boys and young men. It does older men good. When your boy arrives at the age of twelve years he will want to go out from home to associate and play with other boys. We all know he is then in the imaginary and formative stage. Our Y. M. C. A. is prepared and equipped with swimming pool, gymnasium, pool and billiard room, reading rooms with good papers, magazines and books. We have a secretary and physical director who are clean Christian gentlemen

men and any boy would be improved by being under their influence and instructions when away from home. A Y. M. C. A. without boys to work with and for would be as useless as a flour mill without wheat to grind. The Y. M. C. A. is prepared to care for 500 members at the least. If you have a son or sons you could not do better for them than to give them a membership in the Y. M. C. A. If you have no son then get busy and give a membership to 1, 2 or 3 boys. The boys are all yours or ours, just the same as we all belong to the state or nation when they wish to call for them or us. The boys of today will soon be the men of the future. "As we sow so shall we reap." The boys need your help. Won't you give it to them?

Ladies as well as men may subscribe for some boy of their choosing or may instruct the secretary to supply a boy. This he is always prepared to do. "The harvest is ripe," but where are the reapers? Won't you be one of the reapers? Solicitors will be out till Saturday at 10 o'clock p. m. to see you or if you will telephone the secretary, 179 Illinois, of your desire to subscribe you will be attended promptly.

In the general Y. M. C. A. campaign last spring to raise funds for two years the amount to be raised by subscription was successful. But in the general budget of receipts \$1750 was estimated to be received each year from memberships. This is the campaign now on and we must not fail.

Sincerely yours, in the interest of the boys,

H. J. Rodgers,
Pres. Y. M. C. A.

BOYS' AND GIRLS' CHAUTAUQUA WEEK NEARING SUCCESSFUL CLOSE

Fifty-Two Girls Prepare For 'Red Cross Crusade' Under Direction of Miss Seeger Saturday—Mr. Conner's at Kat Christian Church.

With fifty-two girls and a class of boys of larger number preparing for the final exercises Saturday forenoon, the "Boys' and Girls' Chautauqua in progress at Central Christian church is nearing a successful close. Miss Mary Seeger will direct the "Red Cross Crusade" at 9 o'clock and Mr. Conner will take the boys through

Miss Mary Seeger and Girls in Costume.

"The Dargoon" at 8:30 o'clock. From her home in Indianapolis, Miss Seeger has gone to all parts of the country for work with girls and for lectures. Her work has covered a period of eight years and she has been uniformly successful.

Rev. Mr. Keller, of Los Angeles, who is visiting relatives near Jacksonville, and the Rev. W. W. Wharton, of Roodhouse, were present last night and assisted in the service before Mr. Conner's special talk to business men. Tonight Mr. Conner's subject will be "Rex Van Woece, the Worst Boy in Town," a lecture which has met with praise and favorable comment the country over for its graphic picturing of the boy's inner life and the troubles which confront him from day to day.

"The home furnishes to the world a stream of humanity," said Mr. Conner. "The school strives to teach efficiency, the church inculcates sympathy, the state and nation develop democracy and the business world demands and fosters virility and integrity."

The Ladies of Mt. Zion Church will hold a market in Dorwart's window Saturday, Oct. 2. Commencing at 10 o'clock.

HEARING HELD FOR PROPOSED SEWER

Few Property Owners Object to Sewer on Hooker and Adjacent Streets—Total Estimate \$2,873.

The board of local improvement held a meeting Thursday afternoon relative to the construction of a sewer for Independence avenue, Hooker street, East Lafayette avenue and Howe street. The total cost of the improvement according to the estimate of the engineer is \$2,873. About twenty-three property owners will share the expense of the sewer when constructed and five were present yesterday to make objection. The majority therefore seem to be in favor of the improvement and it is entirely probable that it will be ordered. The hearing was adjourned for one week.

The proposed sewer will begin at a point 400 feet east of the intersection of Allen avenue and Independence avenue, run east to the center of Hooker street, south on Hooker street to East Lafayette avenue, thence east to Howe street and south on Howe street to the Wabash road. The sewer will also be constructed from the corner of Lafayette avenue and Hooker street, west 450 feet on Lafayette avenue. The estimate of cost includes \$1,453.90 for 2,077 feet of 12-inch pipe, \$857.40 for 1,429 feet of 10-inch pipe, \$58.40 for 72 Ys, \$210 for 7 man-holes, and \$219.03 for other expenses.

MRS. M. BRYAN OLLIVER ADDRESSES WOMAN OF CITY

Mrs. M. Bryan Oliver addressed a representative number of Jacksonville ladies at the Dunlap hotel Thursday afternoon in behalf of the Marinello beauty shop, which is conducted in the Hantoon building on West State street by Mrs. Marie Montgomery. Mrs. Oliver is a woman of very broad experience in her work and coupled with a pleasing personality, her address of the afternoon was found both interesting and instructive. Improvement of appearance is a topic of much importance to the ladies and the common sense ideas advanced by Mrs. Oliver and her manner of treatment, received high commendation. During the afternoon each guest was presented with a miniature box of cream and powder. Mrs. Oliver expects to remain in Jacksonville a day or so longer.

ROODHOUSE CORN CARNIVAL.

Business men of Roodhouse are planning for a horse show and corn carnival which will be held Wednesday, Thursday and Friday, Oct. 13-15.

They Never Fail Roberts Cold Tablets

A valuable preparation for the treatment of COLDS, GRIPPE, HEADACHE and CONSTIPATION. A pleasant and harmless chocolate-covered tablet that stops a cold in 24 hours. Acts as a mild laxative. Remember they are guaranteed 25 DOSES FOR 25 CENTS.

Comp. Mustard Oil and Camphor Ointment

In most cases where plasters and liniments are used for cold pains and aches, this is better. Better than mustard plaster and does not blister. This week 19c for 25c size; 42c for the 59c size.

"GRAUSTARK"

This Romance Has Thrilled Millions

Taken from the play and novel by GEORGE BARR McCUTCHEN, "Graustark". It can truthfully be said was the greatest book ever written in America.

The drama is of that type of romance that appeals to all. Greenfall Lorry, the hero of the play, is the type of American beloved by all lovers of fiction.

Rich, young and daring, he falls in love with a Princess traveling in disguise and follows her half way around the world to win her hand.

Positively the Greatest Picture Ever Taken!

What the Critics Say About "Graustark"

"Graustark" is a magnificent production. Splendid acting, capably and laudably interpreting the play, surcharges the production throughout.—Chicago Daily News.

All will revel in "Graustark". The production is elaborate and well done and the scenes are made with an eye to effective and artistic value.—Chicago Herald.

Seven Reels of Pictures

Owing to the enormous cost of this great feature admission will be—Adults 15c; Children 10c.

Time of Performances, 2, 3:45, 5:30, 7:15 and 9 p. m.

NOTICE

Attorney D. J. Staley has moved his law office to the Scott Block, Room 8.

MR. CONNER MADE ADDRESS TO PARENT-TEACHERS SOCIETY

"Dignity of the Common Kid" Proved an Interesting Theme.

A. W. Conner, who is conducting the boys' institute at Central Christian church this week, made an address Thursday afternoon before the Parent-Teachers association of the second ward. Mr. Conner's theme was "The Dignity of the Common Kid" and his audience which included between 50 and 60 women, was very greatly interested. Mr. Conner has devoted more than twenty years of his life to boys and he has studied them in a practical way which has enabled him to arrive at a real understanding of boyish character. Based on this long experience he is able to give some advice worth while in the settlement of "boy problems".

He began by telling his auditors that he would take it as an accepted fact that all of their boys were extraordinary and that, therefore, the discussion of the afternoon would be free from personal bias and would apply to the boys of other mothers. He pointed out that all boys have their ideals of life and of persons and that the surest way to get in touch with boy life is to arrive on terms of friendship. Boys seem to know instinctively those who are their real friends and they appreciate friendship of that kind and respond to its advances. He gave a number of instances from experience to emphasize the point that no matter how rough the surface of the manners, that there is something good underlying in every boy and all that is needed is sympathy and study that each one may be given the guidance and the friendship that is needed.

Following Mr. Conner's very helpful address, a brief business meeting was held and then came a social hour, during which refreshments were served. The social arrangements of the afternoon were in charge of a committee consisting of Mrs. Frank Plouer, Mrs. Edward Doolin, Mrs. Samuel Hunt, Mrs. Bea Andrews and Miss Leck.

MR. UPHAM WAS THERE

Although Mr. B. R. Upham is a Republican, he attended the reception of Senator and Mrs. Douglas, at the Dunlap House, Sept. 4, 1915. Mr. Upham was very much impressed by Mrs. Douglas' beauty and especially by her elegance of manner. He also spoke in high terms of Mr. Douglas' personal attractions.

Mr. Upham recalled the occasion with much interest notwithstanding it is fifty seven years since it transpired.

JURY FINDS RILEY GUILTY OF SELLING LIQUOR ILLEGALLY

Three Counts of the Indictment Held Good—Edward Ratliff Entered a Plea of Guilty—Myrtle Allen's Trial Begins.

The hearing of the case of Chris Riley charged with violation of the local option law occupied the greater part of Judge Thomson's time in the county court Thursday. The taking of evidence was concluded about 4 o'clock and the jury retired to consider their verdict. Riley was found guilty on three counts of the indictment. A motion for a new trial was entered.

The principal witnesses for the state were John Bahan, Paul DeCastro and George Moore. The last mentioned was a young man who had been employed by the sheriff's department to seek evidence of liquor law violators. They testified that they had made purchase of liquor from Riley at his barber shop on North Sandy street.

It took less than an hour for the examination of jurors to try Myrtle Allen, who is charged with violating the local option law. She lives on Washington street in a house near that occupied by Mr. and Mrs. Haxton, and the state claims to have a very good case against her. John M. Butler is attorney for this defendant.

Edward Ratliff appeared in court Thursday and expressed a willingness to enter a plea of guilty to the charge of liquor selling on one count and it was agreed that the other counts against him should be withdrawn. It was further agreed that this defendant should receive a jail sentence of twenty-five days and a fine of \$100 and costs, the understanding being that the plea is not to be collected if Ratliff behaves according to law. It was the first proposition that there should be a sentence of thirty days and no fine imposed, but Judge Thomson stated that it would be better to have a sentence and a fine and withhold the latter, his idea being that this fine hanging over the defendant would furnish additional incentive for good behavior.

SOCIAL EVENTS

Young Women Meet to Organize Guild.

Young women of First Baptist church, including the membership of the Young Ladies' Aid society, gathered Thursday evening at the home of the Rev. and Mrs. Percy W. Stephens on Diamond Court and organized as the Jacksonville chapter of the "World Wide Guild," a missionary organization for Baptist young women. Officers will be elected at a meeting at the church, Monday evening, Oct. 11; when a report of a nominating committee, headed by Miss Carrie Spires, and composed of Misses Mildred Brown, Irene Cox, Edith Williamson and Kathleen Marshall, will be read and passed upon.

Sixty young women were guests of Mr. and Mrs. Stephens at a pleasant social hour which occupied a portion of the evening hours. Mrs. Ennis sang "Jocelyn's Melody," to piano accompaniment by Miss Grace Hoffman and violin obligato by Miss Minnie Hoffman. "The Hungarian Dance" was given as a duet by the Misses Hoffman. Miss Nettie Hayden spoke on "The World Wide Guild." Mrs. Stephens was assisted in the serving by members of the Honors class.

Miss Hildegrade Sibert Is Hostess to Klan.

Twelve members of the Kewpie Klan spent a pleasant evening Thursday at the home of Miss Hildegrade Sibert, 1236 South East street. Frank R. Stockton's baffling story "The Lady and the Tiger" formed the basis of a clever entertainment feature. Delightful refreshments were served.

Mrs. Martin Entertains at Six O'clock Dinner.

Twenty-eight guests sat down to 6 o'clock dinner Thursday evening at the home of Mr. and Mrs. Harry Martin of Liberty and after an excellent repast there followed a time of social diversion. Red and white was used in dining room decorations. Red dahlias were attached to the place cards and red and white candles illumined the table. The guests were Mr. and Mrs. Clyde Martin, of Sinclair, and Mr. and Mrs. Mrs. Tal-madge Crum, Helen Frances Crum, Mr. and Mrs. G. A. Dunlap, Mr. and Mrs. Edward Litter, Mr. and Mrs. Aaron Petefish, Mr. and Mrs. John Daniels, Harold Lee Daniels, Mr. and Mrs. Warren Daniels, Freda Mae Daniels, Miss Lora Petefish, Miss Evelyn Petefish, Miss Georgia Litter, Miss Mae Martin, Miss Annabel Crum, Miss Mae Myers, Miss Grace Myers, Earl Myers, Floyd Martin, Orville Petefish and Jesse Petefish.

Reception For Minister at Alexander Church.

In honor of the Rev. J. O. Lehman, new pastor of Alexander and Island Grove M. E. churches, a reception was held Tuesday evening in the parlors of the Alexander church and the congregation and friends of the church attended in goodly number. Autumn flowers were used in decoration. Substantial refreshments were served by the Willing Workers.

Opportunity Bible Class of Grace Church.

The members of the Opportunity Bible class of Grace M. E. church, taught by Rev. Henry V. Stearns, held a banquet in the church parlors Thursday evening at 6:30 o'clock. The class was well represented including several visitors and after the banquet plans were talked over relative to the work of the organization for the ensuing church year. There are from twenty to thirty members in the class.

MARKERS PLACED OVER SOLDIERS GRAVES AT FRANKLIN BY D. A. R.

Burial Places of John W. Jolly and E. C. Jolly Were Marked and Other Graves Will Be Marked Later.

Due largely to efforts of the Daughters of the American Revolution, appropriate markers have been placed in the Franklin cemetery at the graves of Bourland Jolly and Samuel Jackson, who served in the Virginia militia during the war of our independence, says the Franklin Times.

The markers were set Monday morning and John W. Jolly and E. C. Jolly, grandsons of Bourland Jolly, were among those present on this occasion. John W. Jolly, now in his 52nd year, assisted sexton George Whitlock to locate the spot where his grandfather was buried, being able to determine it by recalling that the grave was next to another grave that was lined with brick, and after the probable location had been pointed out by Mr. Jolly the sexton soon found this brick lined grave by running an iron rod into the sod.

Bourland Jolly was 88 years old when he died at the home of his son, Capt. Elisha Jolly, on the farm now occupied by Chas. E. Criswell, which was government land entered by Elisha Jolly, and where John Jolly was born. He had been living near Beadstown and came to his son's home only a short time before his last illness. John W. Jolly, though but a lad of about 12 years at the time his grandfather died, has a keen recollection of the event and of the Revolutionary soldier.

John W. Jolly was among those taking an active part in the trying times when cholera scourged this section about 1853. A brother and a sister of George Harney both died with the disease in the same night, and he and the late Col. Wyatt, Joseph Woods and "Dicky" Anderson bore their bodies from the house to the cemetery and placed them in one grave.

As those of our readers acquainted with him know, his face has been adorned for many years by a long beard. We remember seeing it more than 25 years ago, and on mentioning this to him he said that he had not shaved since July 4, 1864. That day he and George N. Boulware and others from this place attended a big celebration at Leami, where on going to his wagon for his basket at the dinner hour he found that some miscreant had stolen the grub and they had to fall back on the hospitality of friends.

His parents, Capt. Elisha Jolly and wife, are both buried here, their remains reposing side by side under a large cedar near the center of the old cemetery.

Markers are expected any day for the graves of James Wright and John Woods, the other two Revolutionary soldiers whose bones rest here.

HOME COMING.

This one should be the most considered in order to hold the old motto good: "One hand washes the other;" if you owe us come in person, or send check or cash to balance your account, so we will not lose our good standing as to paying our bills promptly. We shall be ready to welcome.

HERMAN WEBER & SONS.

Y. M. C. A. TEAMS MET AT LUNCHEON

Discussed Plans for Pushing Active Membership Campaign Today and Saturday.

A meeting of the members of the Red and Blue teams that are taking an active part in the Y. M. C. A.'s campaign for members was held in the association gymnasium last night. Supper was served there at 6:30 and the men gathered about the tables and reported on the work which has been accomplished. While a good many members have been secured, still a great many more must be enrolled if the work of the association is to be conducted as it should. It was agreed that the canvassers would go to work with renewed vigor for today and Saturday, and the hope is to complete the campaign by 10 o'clock Saturday night.

Instead of having supper again at the association this evening for convenience it was decided that the members of the teams will meet at 6:30 at Grace church where a cafeteria luncheon had previously been arranged. The progress made during the day will be reported then.

Menzie's work shoes at Hoppers.

WITH THE SICK.

Mrs. George W. Scott who has been ill of tonsillitis for several days, is able to be out again.

Mrs. H. Elizabeth Thornley who has been taking treatment for rheumatism at Oaklawn Sanitarium, is reported as improving in a gratifying manner.

MORTUARY

Moore.

Word has been received in the city of the sudden death of John Moore, a well known resident of Scott county. He was found dead in his bed Thursday, death ensuing from a natural cause.

EAT BURGEOO SOUP.

At the noon hour Thursday, the inmates of the county jail were given a treat in the way of burgoo soup, which was left over from the picnic at Salem church Wednesday night. Mr. and Mrs. Graff went to the church and got the soup.

BUYS MONTANA FARM.

George Olinger, who went to Montana three weeks ago, has sent his family word that he has bought a quarter section farm and equipment near the village of Fifo and ten miles from Great Falls, Mont., stock and horse, and is busy getting in fifty acres of wheat.—Franklin Times.

BOYS' SUITS

We are showing a big line of boys' school suits at \$4 to \$8. We would call your especial attention to our boys' all-wool \$5 suit with two pairs of pants, sizes 8 to 16.

T. M. TOMLINSON

Y. M. C. A. MEMBERSHIP PASSES TWO HUNDRED MARK THURSDAY

One Hundred Forty-Nine New Members Today and Tomorrow is Goal Announced at Luncheon by Walter Bellatti, Campaign Chairman.

With a total membership of 201, the campaign in progress by the Jacksonville Young Men's Christian association stood well toward successful completion at the close of work Thursday evening. The gain for Thursday was thirty-three and the "Blues" are five ahead of the "Reds". Three hundred and fifty is the desired number registered at the state headquarters and the corps of workers expects to put in hard work today and tomorrow for the remaining one hundred and forty-nine. Reports of progress were made yesterday evening at a chicken supper in the Y. M. C. A. gymnasium at which Walter Bellatti, chairman of the membership committee, presided. This evening at 6:30 o'clock the men will convene to discuss the day's work in Grace church parlors, partaking first of a cafeteria luncheon.

"There are in Jacksonville not less than five hundred people who can afford to join the association and will do so if properly approached," said Mr. Bellatti in the opening talk. "The American people wish value received and we must show each man that by association membership he will receive a substantial return for money paid out," observed Carl E. Robinson. "Boys will go somewhere for recreation; we should have for them in Jacksonville a fitting place," commented Mayor H. J. Rodgers. Enthusiasm for growth of the association was manifest in talks by Carl H. Weber, W. B. Miser and Percy A. Jenkinson. "A membership of five hundred in the next two days is not too much for Jacksonville," Mr. Miser declared.

The supper was served by H. A. Brower, assisted by Herbert Weatherford, Newport Houck and Harold Stewart.

WILL PLAY SERIES OF GAMES.

The Eagles and Jacksonville All-Stars have arranged to play a series of three games at Nichols park. The first game will be played Sunday, Oct. 3. Both teams have good men in the lineup and the series should be an interesting one.

THE JOHNSTON AGENCY

Story's Exchange

Sept. 27, 1915.

SOLD

Previously diversified farm of 120 acres, and 135 acres, two miles from Jacksonville, and 130 acres six miles from Jacksonville.

FOR SALE

1. One hundred eighty acres, 3 miles from good railroad town in Morgan county, all timber soil, two sets of improvements, new house, new barn, new silo just filled, telephone, mail route—\$65.00 per acre. Don't pass this up.

2. 200 acres, 3 miles from station on C. & A. in Morgan county, fine set of new improvements, farm scales and everything needed. Near church, good school, fine location, good neighborhood. 150 acres in grass, and 160 acres of farm tillable. For a real home and money-maker see this one at \$135.00.

3. 120 acres timber soil, 80 acres good farming land, mostly all in grass. Nice two story house, fair barn and outbuildings, 3 1-2 miles to good town, easy drive to Jacksonville, and for a limited time is offered at \$100 per acre.

4. A superb home of 80 acres of our very best land, all buildings up to the minute. Best location—\$200—worth it.

5. 180 acres, combination black land and timber soil, with a complete home arrangement, all you need, nothing extra to pay for. This is one of our best values. Let us show you.

6. 120 acres of the strongest, most productive land to be found anywhere. Nice new house, plenty barns, sheds, etc., thoroughly well fenced, 135 will buy it now, but you must see it this week.

7. 60 acres of good land on the Mound road, west of Jacksonville, fair improvements, and excellent location. For a small farm and a real home this is it.

We have sold some but we are listing others.

For a great variety of farms, small or large, cheap or high, near or far, we surely can please you. This is only a sample. Come in and tell us what you want—we have it.

EDWARD JOY FARMS ON AN EXTENSIVE SCALE

Applies Modern Methods with Good Results—Believes that Cattle Feeding is Profitable Line—Uses Two Silos.

Nearly every one who has lived in this county for any length of time has heard of Joy Prairie and while many of those for whom the locality was named have moved or passed away there are still several families left and they are among the most enterprising citizens of the county today.

A short time since a Journal reporter had the pleasure of a call at the farm occupied by Edward Joy, who rents of his father, Lyman F. Joy, a modest little tract of 460 acres which he carries on in a manner calculated to produce best results. He uses the staple crops, corn, wheat, oats and grass and he has added a small field of five acres alfalfa and the fourth crop is ready for the mow. He had 65 acres of wheat this year but the fearful hail storm last summer so ruined it that it wasn't worth cutting and he turned the hogs in on it to glean what they could.

Mr. Joy regards it a sin to burn a straw pile and instead of that he stacks and threshes where the land is not to be cultivated, let's the stock run to the straw and then in about a year he has a good lot of fertilizer. He showed the reporter the remains of a pile threshed a year ago last summer and from it he has hauled this year 65 loads of good fertilizer and will get as much more and he says it materially increases the yield of corn.

Treated in this way the straw will not injure the land in a dry year though care must be taken for when the year is especially dry the straw lying on account of the beads and the earth. His main dependence is, clover for fertilizing the land. He prefers not to grow more than two or at the most three crops of corn in succession on the same soil and then for a change so that the soil is not depleted. He likes the Turkey red, bearded wheat but doesn't grow it for the men complain so of handling it on account of the beads and it is not desirable for stock which is apt to get sore mouth.

His great crop is corn and for that he prefers the Reid Yellow Dent for all purposes and he says that no matter how careful he may be in selecting seed it always pays to give three dollars a bushel for seed of those prepared to produce it in best shape. A bushel will plant about eight acres which makes the good seed but a trifle more than forty cents an acre and a man cannot make a better investment.

A year or two ago he erected two silos, each 16 foot in diameter and 34 feet high. They are of wood but he says if he were going to put up any more he would use vitrified blocks. Each is good for 135 tons of ensilage and Mr. Joy is well pleased with the results. Last winter when the corn wasn't as good as it is this year he put in a crop from forty acres and that with a straw pile to which the stock ran as they wished wintered ninety head of cattle and horses in excellent shape and it required but an hour and a half daily to feed the whole lot. This year he will need but 32 acres of corn to fill the two silos and in proof of it he showed the reporter some specimens of the grain and the ears certainly were fine and would grade well.

Mr. Joy is liberal in the matter of help and said it took nineteen men, four teams and an engine to run the cutter but it was noticeable that the teams had lots of waiting time but he is not a man to drive his help unduly. He says the ideal crop is a green stalk with dry ear and much of the material he was putting into his silos while the reporter was there was that kind. His uncle, Charles B. Joy and Mr. Cowdin own the cutter and they hire an engine to run it. It will take him four days to fill his two silos and then he will have a choice lot of feed and thinks it pays well. The rest of the corn will be husked on the stack without cutting and the stalks cut in the spring and plowed under in breaking. He believes in plenty of humus and that is one good way to get it.

He keeps the exterior of his silo painted in good shape and the inside needs no attention. In the summer it needs some tightening of the rods and that is all. He regards the silo as an excellent investment for a farmer.

Mr. Joy has come to the conclusion that it pays a man to raise cattle in Illinois and for that purpose he keeps forty cows, principally white faced Herefords and a thoroughbred Short Horn bull to head the herd. The cows he keeps till they are ten or twelve years of age and then fattens them for the market. The calves he lets run with the cows till weaned by their mothers and sells them as long yearlings or baby beef which brings fine prices. This year they averaged him \$65.00 each which is pretty good for such stock. He gives but little attention and raises them with as little trouble and expense as would be needed for any kind of animals and thinks they pay very well especially as prices are now.

He has a feed barn 48 by 70 cemented and supplied with feed troughs and from a wagon he shovels the ensilage into the receptacles and the work is done. In this way, as already stated, he feeds ninety head of stock in an hour and a half to two hours with no trouble and that is one way in which a silo is such a good investment.

He also pays some attention to hogs but not so much as to other stock. He generally turns off about two hundred a year and manages to

have them ready for the market at about ten months and gets them generally up to 250 pounds. Thus far he has preferred the Poland China breed but is thinking of changing to Duroc Jersey this year. He has a long shed for his hogs and separate pens for brood sows and in this way handles them in the most satisfactory manner. He slops the pigs till they are pretty good size and then gives corn and clover and keeps them in good condition. He gives them a little ensilage but not very much. He endeavors to have the pigs farrowed the last of March and early in September. In this way he handles them best and they make the least trouble.

He and his uncle, Charles B. do something in horses, the latter more than Edward. They have heavy, grade draft mares or any good heavy mare that promises well, and with a thoroughbred sire they are able to raise some excellent horses. They break them and work them on the farm and sell as desired. Edward handles a few and always gets something extra good. He prefers the Norman stock as the best for general purposes and uses an automobile for fast traveling on the public highways. Such horses don't generally sell well till five years of age and then there is more or less risk of accident always so that on the whole they may be said to be rather less attractive than cattle and hogs to be reared for profit.

Mr. Joy has a large pond and a wind pump and all about the place indicates intelligence and good farming.

This article would be incomplete without reference to Mr. Joy's father, Lyman F. Joy, owner of the place and, as the son says, one of the most industrious and tireless persons on the farm. To be sure, he was born in 1831 but any one calling him old would soon be called down for there isn't a younger feeling person on the prairie. He is as ready for a joke or a good story as he ever was and he gets about in a spry manner and is wide awake and active all the time in the day. He bids fair to reach par if he meets with no mishap or untoward illness and his family hope he will be with them for many years to come.

FUR PRICES ADVANCE.

The prevailing style in women's wear of fur trimmed garments is evidently having a decided effect on the fur market. Yesterday Frank Byrns received a letter from a firm with whom he has long had business relations advising him that the prices of a large list of furs have advanced steadily for several months and thus called attention to the fact that dealers who made early purchases this season are fortunate. The open winters of the last two years caused a decline in the fur market because of the lessened demand, but this decline has been more than overcome by the recent advances. Not a great deal of fur is required for trimming a woman's suit, but when thousands and hundreds of thousands of suits are made in this particular style it can readily be seen that this new demand would have its effect upon the market prices. Retail dealers who purchased early are therefore congratulating themselves and possibly regretting that even heavier purchases were not made.

PROBATE COURT.

In the estate of Mrs. Margaret M. Marshall, the will filed was admitted to probate and letters testamentary were ordered to issue to John and Florence Marshall.

The will of the late Rev. W. R. Butcher was received and the hearing set for Oct. 25.

In the estate of John Vieira, a motion that the petition for sale of personal property at private sale be withdrawn was allowed.

In the estate of Susan Gibson, the administratrix was discharged and the estate declared closed.

In the estate of John Dickens, the inventory and appraisement bill were approved.

In the estate of M. L. Edson, the final report of the executrix was approved and the estate declared closed.

James Miller of Decatur was in the city yesterday on business and was a guest at the home of his brother, J. Marshall Miller, on West Lafayette avenue.

OLD AND NEW WAY TO TREAT CATARRH

Breathing a Germ Killing Air Endorsed by Actual Results.

The discovery of Hyomel has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting.

With Hyomel you take into the air passages of your throat and head a balsamic air that goes into the minutest cells, and should effectively kill all germs and microbes of catarrh. Its purpose is to enter the blood with the oxygen, killing the germs in the blood, and restore health to the whole system. Many astonishing testimonials have been received from those who have been helped by Hyomel.

A complete outfit is inexpensive and includes an inhaler, dropper and sufficient Hyomel for several weeks' treatment.

Perhaps the strongest evidence that can be given to doubters, is the fact that Coover & Shreve have so much faith in Hyomel that they sell every package under a positive guarantee to refund the money if it does not relieve.

Now is the time to begin the use of Hyomel and rid yourself of this serious and oftentimes dangerous disease. Nothing is gained by waiting till the vicious microbes of catarrh have made still further inroads on your health.—Adv.

TWENTY-FIFTH ANNUAL CONVENTION OF ILLINOIS BANKERS ASSOCIATION

Program Has Been Issued for Gathering to be Held Oct. 14 and 15 at Joliet—Public Welfare of State to be Discussed.

The program has been issued for the 25th annual convention of the Illinois Bankers' Association, which will be held Oct. 14 and 15 at Joliet. Measures to promote the public welfare of the state will be discussed by the bankers. Business men and laboring men will be invited to the meetings. The sessions will be held in Lincoln Theatre.

The program follows:
Thursday, Oct. 14—10 a. m.
Invocation—The Rev. Walter H. McPherson.

Address of Welcome—William C. Barber, mayor of Joliet.

Response to Address of Welcome—Robert R. Ward, vice president, Benton State bank, Benton.

President's Annual Address—J. S. Aisthorpe, First Bank and Trust company, Cairo.

"Organizations of Business Men and Our National Development"—John F. Fahey, Boston, president, chamber of commerce of the United States.

Afternoon Session, 2 O'Clock.
"The Labor Question"—William B. Wilson, secretary of labor.

"Some Bad Rural Credit Legislation"—Myron T. Herriek, Cleveland, Ohio.

"The Greater Victories of Peace"—J. A. S. Pollard, cashier, Fort Madison Savings bank, Fort Madison, Iowa.

Friday, Oct. 15, 10 a. m.
"Our Illinois"—Symposium of the Dominant Illinois Resources and Activities.

Address by prominent leaders tersely and forcefully reviewing the conditions and boldly presenting the reforms needed to bring about the highest development of the state.

"Agriculture in Illinois"—John Fletcher, vice president Fort Dearborn National bank, Chicago.

"Banking and Investment in Illinois"—E. D. Hulbert, vice president Merchants Loan and Trust company, Chicago.

"Commerce in Illinois"—W. R. Moss of Messrs. Moss & Schmidt, Chicago, vice president Illinois Commercial federation.

"Mining and Minerals in Illinois"—F. W. DeWolf, director state geological survey.

"Manufacturing in Illinois"—S. M. Hastings, president Illinois Manufacturers' association, Chicago.

"Transportation in Illinois"—C. H. Markham, president Illinois Central railroad, Chicago.

"Education in Illinois"—Prof. G. I. Christie, Purdue university, Lafayette, Ind.

"The Arts and Sciences in Illinois"—Dr. Edmund J. James, president University of Illinois, Urbana.

"Religion and Charities in Illinois"—Dr. F. W. Gunsauls, Chicago.

"Government in Illinois"—Hon. Richard J. Barr, Joliet.

Experienced Women Advise Mother's Friend

Because it is so perfectly safe to use and has been of such great help to host of expectant mothers, these women experienced in this most happy period advise the use of "Mother's Friend."

Applied externally to the abdominal muscles its purpose is to relieve the undue tension upon the cords and ligaments resulting from muscular expansion.

Beneath the surface is a network of fine nerve threads and the gentle, soothing embrocation, "Mother's Friend," designed to so lubricate the muscular fibres as to avoid the unnecessary and continuous nagging upon this myriad of nerves. It is a reflex action.

Applied to the breasts it affords the proper massage to prevent caking.

Thousands of women have reason to believe in this splendid help under the trying ordeal of motherhood. The letters are eloquent evidence of its great value to women. In use for many years it has come to be a standard remedy for the purpose.

There is scarcely a well-stocked drug store anywhere but what you can easily obtain a bottle of "Mother's Friend" and in nearly every town and village is a grandma who herself used it in earlier years. Expectant mothers are urged to try this splendid assistant to ease, comfort and safety.

Mother's Friend is prepared by Bradfield Regulator Co., 310 Lamar Bldg., Atlanta, Ga. Send for our little book.

It should be remembered that what is said of "Mother's Friend" is the thought expressed by the thousands of women who have successfully used it and recommended it through two generations.

A Touch of Comfort MUNSON'S WITCH HAZEL SOAP

This soap is not only said to be but is the best toilet and medicated soap ever made. For sale by Gilbert's Pharmacy, 237 West State street, J. A. Obermeyer, Jacksonville, Illinois.

WASTE OF WORDS.

The gifted statesman makes a speech; he hear him rumble, growl and screech for weary hours together; we murmur, at the moments pass,

"His lungs are surely made of brass, his larynx is of leather." In order to express a thought he springs fountains of tommyrot, of words that have no bearing; and how he hates to cease to spout! He cannot see he's worried out his audience despairing. When will our public speakers learn that brevity will always earn the gratitude of hearers? Let speeches all be shorn of gaff, until they are just short enough, and we will bless the shearers. No long oration is a treat; a man may have a voice as sweet as mockingbirds or finches, but he becomes a dreary bore if he is eloquent more than twelve or fifteen minutes. Condense, my friends; again, condense; don't let the words outweigh the sense, in speaking or in writing; boil down your lecture or your screed, and all the folks who hear or read will find your work inviting.

Boys! Girls! Enroll Now!

Now's the Time! Get in Line for One of These Splendid Prizes to be Given Away!

Thursday, October 21, will be the 36th anniversary of the invention of the incandescent lamp by Thomas A. Edison and for that reason it will be known the country over as Edison Day. We want the people to know more about Edison and the wonderful lamp that has developed from his efforts—

The Edison Mazda Lamp

To get your assistance in telling the story of Edison Day, \$2,500 in prizes will be given away by the makers of this marvelous lamp, and in addition the local agents for the Mazda,

The Jacksonville Railway and Light Co. will give every contestant a commission of 10 per cent on lamps they sell during this contest

so that every contestant will be paid liberally for his other time, even though they should fail to win one of the valuable prizes.

Any boy, girl or young man or young woman (not over eighteen years) is eligible, and each stand an equal chance. There is nothing to buy and nothing to be responsible for.

Call at once at the Railway and Light Office for full particulars on how to proceed. If you want to try to win a nice prize and make money at the same time, you should call right away. Every hour is valuable,

BRAVES DEFEAT NEW CHAMPIONS EASILY

HUGHES HOLDS PHILADELPHIA TO THREE HITS.

Error by Maranville Paves the Way to the Two Runs That Are Scored on Cravath's Triple—Boston Sends Rixey From Box in First Inning.

Boston, Sept. 30.—The Philadelphia's with the National League championship won let up a bit today and the Braves took the game easily. Hughes held the new champions to three hits but an error by Maranville in the third inning paved the way to the two runs that were scored on Cravath's triple. Boston sent Rixey from the box by scoring four runs in the first inning. Baumgartner who followed him pitched well until the eighth when the Braves again bunched hits for three runs.

Cincinnati, 3; Chicago, 2.
Chicago, Sept. 30.—Erratic fielding by Chicago enabled Cincinnati to win the final game of the series here for the year three to two, thereby winning one game of the series. Groh started the eighth inning with a double and Beall struckout. Groh was caught off second base but Fisher dropped the ball and Groh reached third. When McCarthy fumbled K. Williams' grounder, when he batted for Herzog, Groh scored.

MORNING GLANCES.

Philadelphia with the National League flag won eased up yesterday and Boston, last year's world champions defeated them easily by a score of 8 to 2. Hughes held the champions to three hits. One a triple by Cravath scored the two runs made by Philadelphia. Boston drove Rixey from the mound in the first inning. Baumgartner held them safe until the eighth when bunched hits gave them three more tallies.

St. Louis, leader in the Federal league race for a short time during the summer, went into second place yesterday by defeating Kansas City, 4 to 2. Plank and Johnson both pitched good ball but Plank received the better support.

COULD NOT LIFT HIS PITCH FORK

David Rice, Farmer, Makes Interesting Statement About Former Trouble.

TANLAC RELIEVED HIM

"Tanlac has made a new man of me," said David Rice, a well known farmer who resides near Decatur on Rural Route No. 6. Mr. Rice has a great many friends in the vicinity in which he lives. He made a most interesting statement recently in regard to his improved condition and spoke most enthusiastically of the "Master Medicine." He continued:

"I have been ill for some time with rheumatism and nervousness. I suffered intense pain and was unable to sleep soundly at night. On damp days my rheumatism was especially severe and gave me a great deal of trouble. My condition reached such a state that I was unable to raise a pitch fork the pain was so great.

"I tried a number of remedies, but was unable to obtain any great relief. I saw this Tanlac medicine advertised some time ago, but doubted very much if it was what I needed. I noticed where a great many people were being benefited by the use of Tanlac and there were some whom I knew. I felt so badly one day that I decided to try a bottle of Tanlac and see if it would not relieve me.

"I wish I had purchased it sooner for I would have saved myself a great deal of suffering. After taking some of the medicine I felt better than I had in months. Now the pain which bothered me for so long has entirely disappeared and I rest much easier at night. Tanlac certainly fitted my case and I can heartily recommend it to anyone who is suffering as I was."

Tanlac was designed especially to go direct to the seat of the very trouble Mr. Rice suffered with. Many similar cases are being relieved in Illinois daily, and the fame of Tanlac is spreading to the most remote sections of the country.

Tanlac, the "Master Medicine," is now being sold in Jacksonville at the drug store of Coover & Shreve. Adv.

BEGIN PREPARING FOR PHILADELPHIA GAMES

CARPENTERS BUILDING EXTRA BOXES AND BLEACHER SEATS.

Applications for Tickets Continue to Pour in by Every Mail—Commission to Fix Dates for Games Saturday.

Philadelphia, Sept. 30.—Plans for the fifth world's series of baseball games in Philadelphia in six years were put in operation today. With the winning of the National League championship at Boston yesterday by the Philadelphia club, a large number of carpenters began the work of building extra boxes and bleacher seats in National League Park. The plans call for the erection of about 2,300 seats, which will increase the capacity of the grounds to a little more than 20,000.

Application for tickets for the series, which began to flow into the club's office some time ago, continue to pour in by every mail but nothing will be done with them until after the National commission meets in New York on Saturday and fixes the date for the beginning of the big games.

Unless the commission shall rule otherwise the prices of tickets will be one to five dollars. The bleacher seats will be one dollar, grand stand seats two and three dollars and box seats five dollars each. Purchasers will be compelled to buy tickets for three games as was the custom in the world's series of 1913 and 1914. It is said the applications for seats already exceed the capacity of the park.

Arrangements are also under way for the first of the inevitable banquets that follow the winning of a pennant. Philadelphia supporters of the Phillies have arranged to tender the team a dinner on Oct. 16th. In addition the players will be given a warm welcome when they arrive home from Boston.

PITTSBURGH RETAINS ITS LEAD IN THE FEDERAL LEAGUE RACE

Whales Defeated in a Hard Fought Game—St. Louis Goes into Second Place by Defeating Kansas City.

Pittsburgh, Sept. 30.—Pittsburgh retained its lead in the Federal League race today by defeating Chicago in a hard fought game.

Chicago started the scoring in the first inning when Flack hit to center for a home run. Another tally was made in the third inning on hits by Zeider and Fischer and a base on balls.

In Pittsburgh's half of the same inning the locals hit Bailey hard, five runs being scored on singles by Berghammer, Oakes and Konechky, Kelley's triple and Wickland's home run. Hendrix then relieved Bailey. The Rebels made two runs in the sixth inning when Yerkes and O'Connor, both of whom had singled scored on Rogge's triple. Wickland's double and Konechky's triple accounted for another run in the next inning. The visitors knocked out Rogge in the seventh, two runs being scored on two hits and two passes.

Barger finished the game for the locals.
Score:
Chicago . . . 101 000 200—4 7 2
Pittsburgh . . . 005 002 10X—1 13 0
Bailey, Hendrix and Fischer; Rogge, Barger and O'Connor.
St. Louis, 4; Kansas City, 2.

St. Louis, Sept. 30.—St. Louis went into second place in the pennant race today by defeating Kansas City. St. Louis made three runs in the seventh inning by hits interspersed with the visitors errors. Keyworthy scored both of Kansas City runs. Both Plank and Johnson pitched good ball but while the visitor received poor support, the local twirler was backed by errorless fielding.

Score:
St. Louis . . . 000 010 100—2 6 5
Kansas City . . . 100 003 30X—4 7 0
Johnson and Brown; Plank and Hartley.

Newark, 3-5; Baltimore, 1-1.
Baltimore, Sept. 30.—Newark made the most of playing the last place Terrapins this afternoon and took both ends of the double header. Kaiserling was an easy victor in the opener and Reulbach was never in danger in the second game.

Score:
First game: R. H. E.
Newark . . . 110 000 001—3 10 0
Baltimore . . . 000 000 100—1 8 3
Kaiserling and Rariden; Black, Conley, Quinn and Russell.
Second game:
Newark . . . 020 010 020—5 6 0
Baltimore . . . 000 000 010—7 9 0
Reulbach and Rariden; Young, Quinn and Owens.

Buffalo, 3; Brooklyn, 2.
Brooklyn, Sept. 30.—Buffalo annexed another game from Brooklyn winning out in a ninth inning rally. Marion allowed only four hits up to the final inning when Buffalo obtained three hits and two runs.
Score:
R. H. E.
Buffalo . . . 000 000 102—3 7 0
Brooklyn . . . 010 000 010—2 6 2
Krapp and Allen; Marion and Simon.

WILL ATTEND MILITARY CAMP.

Capt. L. P. Owen left last night for Ft. Sheridan where he will spend three weeks at the military camp now being held. The camp was organized for the purpose of giving officers an insight into military tactics. Officers of the national guard and those who have had military training did not have to report until the last three weeks of the camp. It is probable that a large number of Illinois National guard officers will spend the next three weeks at the camp.

BOSTON BECOMES CHAMP THROUGH TIGER DEFEAT

BROWNS POUND DAUSS FOR FOURTEEN SAFETIES.

Weilman Wins His Eighth Game of the Year From Detroit and Would Not Have Been Scored on But for Three Errors, Bunched in One Inning.

Detroit, Sept. 30.—Boston became the American league champions today, though not playing, through Detroit's loss of the final game with St. Louis. Weilman won his eighth game of the year from the Tigers and would not have been scored on but for three errors, bunched in one inning. A single exception every game won from the local team by St. Louis this season has been pitched by Weilman. He has been beaten by the Tigers but once. Score:
R. H. E.
St. Louis . . . 000 500 003—8 14 4
Detroit . . . 002 000 000—2 6 3
Weilman and Agnew; Dauss and Baker.

Philadelphia, 4; Washington, 3.
Washington, Sept. 30.—Sherman, a recruit, pitched the Athletics to victory over Washington. The score:
R. H. E.
Philadel. . . 000 111 001—4 8 0
Washington . . . 000 000 002—3 11 4
Sherman and Perkins; Harper, Boehling and Williams.

Cincinnati won from Chicago yesterday by a score of 3 to 2. The hitting was light on both sides, the Reds getting six hits and the Cubs five. With the score tied in the eighth Groh doubled and took third when Fisher dropped the ball at second, and scored when McCarthy fumbled K. Williams' grounder.

Newark defeated the Baltimore club both games of a double header yesterday. The score of the first game was 3 to 1 and the second game the score was 5 to 1.

Corn Limpers! Use "Gets-It" and Smile!

Corns Come Right Off, Clean and Quick! You Needn't Limp, or Fuss With Your Corns Any More!

What's the use of spending a good time for yourself by limping around with fierce corns? It's one of the easiest things in the world, now, to get rid of them. "Gets-It" does it

"Those Corns Come Right Off, Clean As a Whistle, by Using 'Gets-It'!"

the new way. That's why "Gets-It" has become the corn remedy of America, the biggest selling corn remedy in the world, preferred by millions. Do you remember that too-eating salve you tried, that sticky tape, that toe-binding bandage, the scouring you've done with knives, razors and scissors? Well now, forget them all. No more fussing, no more pain. Whenever you use simple, easy "Gets-It," the corn is doomed, sure. So is every callus, wart or bunion. Never cut corns or calluses. It makes them grow that much faster and increases the danger of blood poisoning. No cutting is necessary by using "Gets-It." Use it tonight and end your corny existence.

"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in Jacksonville and recommended as the world's best corn cure—by Armstrong's Drug Store—J. A. Obermeyer.

NAVY DIRIGIBLE
FEARLY READY
Washington, Sept. 29.—The first of the navy's fleet of dirigible balloons will be taken over by the department within a few days. The various parts are being assembled in Boston, and the dirigible will be taken apart again and shipped to Pensacola, Fla., where the trials are to take place. The first balloon is a small one, 10 feet long, and is equipped with a 140 horse power engine with twin propellers, of the swivelling type. The dirigible embodies the best ideas advanced in Europe, and some improvements that are being kept secret.

There are nearly 300,000 Sunday Schools in the world, with an attendance of over twenty six millions.

WORLD'S MARKET NEWS

SEPTEMBER WHEAT JUMPS SKYWARD IN LAST FIVE MINUTES OF TRADING

Some Related Shorts Are Forced to Buy \$1.15 For September, An Advance of 11 Cents as Compared With 24 Hours Before.

Chicago, Sept. 30.—In the last five minutes in which wheat could be bought for September delivery, the price of the September option today jumped skyward. Some related shorts who had taken extreme chances in waiting for an improbable decline were forced to pay \$1.15 a bushel for September, an advance of 11c as compared with 24 hours before. Other months were but little affected, closing unchanged to 3/4c higher, with December at 93c and May at 97 1/4c.

Cora finished 3/4c to 3c up.

Oats varying from 3c down to 2c like advance and provisions at a general decline of 7/8c to 2c.

Notwithstanding that wheat prices showed a hardening tendency right from the start, September shorts maintained a stubborn front until day half an hour of the end of the day. Then the severity of offerings began to cause alarm.

Bidding came more and more urgent and it was conservatively estimated that 1,000,000 bushels mostly in lots of 5,000 and 10,000 bushels were purchased at nearly the top prices of the session. Some observers ventured assertions that the day's transactions in the September delivery amounted to 5,000,000 bushels but this total was generally regarded as much too high. The price principally shorts having settled his contracts completely a day or two ago.

Most of the short interest in September wheat outstanding today was said to be for concerns in the northwest that had expected to deliver the grade known as No. 1 velvet chaff but had been hindered by legal opinions casting doubt on the validity of such action unless the wheat had been cleaned. Export firms were credited with having obtained most of the profits resulting from the final big upturn in prices. Reports that Illinois farm stocks were light and a bullish effect on deferred options of wheat.

Advices were also at hand that farmers in the northwest were storing every bushel possible and that estimates of European requirements were being enlarged.

Corn strength with wheat but the advance was unimportant except for September. The squeeze against corn shorts in that month was mild too compared with the late lightness of wheat.

Cats held within a narrow range. The grading was correspondingly small.

METAL SHARES ARE THE CENTRAL FEATURE OF SPECULATIVE MARKET

Utilities of a Class Hitherto Inactive Also Claim Attention—War shares Are Less Prominent.

New York, Sept. 30.—There was further speculation in stocks today but the complexion of the market underwent a change.

War shares were less prominent although some of these issues, particularly Westinghouse, Crucible Steel, Continental Can and American contributed materially to the day's total. As a whole, however, these specialties reflected the more cautious attitude taken by financial institutions regarding their availability as collateral for loans.

Metal shares were the central feature, inspiration copper being the most active with a gain of 5 1/2 at 43 1/2. Anaconda, Tennessee, Utah, American Copper, Chino and italy also were in steady demand at substantial advances. Interest in these stocks was heightened by reports of further larger sales of copper for domestic and foreign consumption.

Utilities of a class hitherto inactive also claimed speculative attention, notably Philadelphia Co., United Railways Investment and Pacific Telephone and Telegraph.

United Railways common rose 3 to 27, the preferred 6 1/2 to 15 1/2 and Philadelphia Co. which controlled by United Railways through operating in a widely remote part of the country rose 9 1/2 to 98.

Pacific Telephone rose 1 1/2 to 47. The list was put to a severe test at mid-day when reports of the sinking of an American ship in the White sea caused the war shares suddenly to recede 5 to 10 points, while United Pacific dropped 3 to 130 and United States Steel 2 to 76 1/2.

Almost immediately today when it became apparent that the incident was without relation to international conditions prices recovered in some instances attaining higher points.

PEORIA WOMAN PRAISES REMEDY

Mrs. Tillia Conard Tells Remarkable Experience After Suffering for Months.

Mrs. Tillia Conard lives at 307 Morgan Street, Peoria. She suffered from stomach trouble for months. Nothing seemed to give relief. One day she visited a sister who resides in Bloomington, and upon urgent advice consented to try one bottle of May's Wonderful Remedy. This, in her own words, is the story of her experience—read it.

"For a number of months I suffered terribly with pains in my stomach, would fill with gas and belch for an hour at a time. I had pains in my side which at times I thought would kill me. I was under the doctor's care for four months, but got no relief at all. One day while in Bloomington my sister persuaded me to take a bottle of your remedy. To say the results were wonderful would be putting it mildly. After the first dose my pain left me, my appetite improved, my skin became clear again and I felt like a new woman."

May's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

There Is No Question but that indigestion and the distressed feeling which always goes with it can be promptly relieved by taking a

Rexall Dyspepsia Tablet
before and after each meal. 25c a box.

RUSSELL BOY CAPTURES THE ARCH CITY STAKE

SETS NEW MARK FOR FIFTH HEAT IN A PACING RACE.

Event is the Best Six Heat Race on Record—Board of Trade Stake Goes to Single G.—General Todd Takes Horseman Futurity.

Columbus, O., Sept. 30.—Nineteen heats of regular racing in addition to six time trials, during two of which Peter Voio and Etawah equalled their trotting records of 2:02 and 2:03, respectively, were decided in events on today's Grand circuit racing program here. Only the 2:09 pace in which Fern Hal has two heats was left unfinished.

Out of the Arch City pacing stake came a victory for Russell Boy, two world's records and the equalling of a world's record.

Four heats of this race were decided yesterday. In the first one today Russell Boy just beat Hal Boy in a pacing race. Russell Boy won the next heat with something to spare in 2:03½, equalling the best time for a sixth heat. As a six heat race this one is the best on record. The best previous one was that won last year at Detroit by R. H. Brett. Dwight Logan of the Valentine stable took the 2:13 pace, two heats of which went to him yesterday. Today favored Camelia and Tramp-a-Bit divided the first two heats. Time in the next one was slow to the three-quarters with Dwight Logan leading. Camelia then closed in but the gelding won by going the last quarter in 30 seconds.

Single G., won the board of trade stake, five heats being required. 2:13 class, pacing, 3 in 5. Purse \$1,200.
Dwight Logan (Valentine) 1 1 4 3 1
Camelia (Cox) 2 3 5 1 2 2
Tramp-a-Bit (Jemison) 3 7 2 2 1 3
Gilbert M. also started.
Best time: 2:05½.
Arch City stake, 2:10 pacers, 3 in 5. Purse \$3,000.

EAT BIG MEALS! NO SOUR, ACID STOMACH, INDIGESTION OR GAS

"Pape's Diapiesin" is Quickest, Surest Stomach Relief Known—Try It!

Time it! Pape's Diapiesin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapiesin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home—Adv.

MOTHER! YOUR CHILD IS CROSS, FEVERISH FROM CONSTIPATION

If Tongue is Coated, Breath Bad, Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and grown ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.

Great Western Races.
Peoria, Ill., Sept. 30.—At the Great Western races at the National Implement and Vehicle Show here today Yace Go. won the 2:19 trot in straight heats. In the 2:18 pace, Vanda Vincent got a bad start in the first heat, scoring fifth, but came back strong in the next three heats taking three firsts with ease. In the 2:16 trot Margaret Jay made a miserable showing in the first and third heats, but in the other three heats captured firsts with but little trouble although closely pushed by Charley G. and Sandy.

Summaries.
2:19 trot, purse \$500.
Yace G., first; Dick Colbert, second; Mable D., third; Betty Scott, fourth. Best time: 2:14½.
2:18 pace, purse \$500.
Vanda Vincent, first; Justice B., second; Jack Johnson, third; Florence Mc., fourth. Best time: 2:09½.
2:16 trot, purse \$600.
Margaret Jay, first; Charley G., and Sandy divided second and third; Lena Leyburn, fourth. Best time: 2:11½.

To beat 2:13½ trot. The Acme.
Time 2:09.
To beat 2:23½ pace. Baron Coast.
Time: 2:13½.

A BIRTHDAY PARTY.

A short time since Mr. and Mrs. P. V. Coover gave a birthday party to three callow youths who have hardly yet arrived at the age of discretion though they are getting there each year. The occasion was in honor of the 83d anniversary of A. R. Gregory and his youthful mates at the table were H. H. Knollenberg, 84 years, and B. R. Upham, 85.

All were hale and hearty and much enjoyed the good things provided by their kind hostess and the entire occasion passed off most pleasantly to all concerned. The three guests have spent a great part of their lives in this vicinity and had many things to recall regarding the times of their younger days when they went to school and did all sorts of things boys love to do especially when they shouldn't.

HAS ARRIVED IN OGDEN.

Frank T. Dewees who started on a trip to California and other western points has arrived in Ogden, Utah. Mr. Dewees is making the trip in his Ford car. In a letter to his mother he tells of arriving in Ogden on September 24th and said they would remain there and at Salt Lake City for several days. Speaking of the roads he said that they were good except in Nebraska and Wyoming where considerable mud was encountered. He has traveled up to the present time over 1,500 miles. On the trip he has used 80 gallons of gasoline and seven gallons of cylinder oil. He only had to stop once for the trouble and that was about ten miles out of Ogden. It will take five days more to reach San Francisco.

T. M. Tomlinson also received a card from Mr. Dewees giving details of his trip in an interesting way.

WILL OF MR. WALTER FILED.

The will of the late Xavier Walter was filed for probate Thursday. This will was drawn Feb. 11, 1915, with John A. Bellatti and Miss Lena C. Engel as witnesses. The testator left all of his property to his daughter, Emma Walter, who is named as executrix, and to serve without bond. Mr. Walter left two other daughters and a son, but he explained in the will that the circumstances were such that he felt in justice to his daughter Emma that all of the property should be bequeathed to her.

MENENZES CASE CONTINUED.

The case against Abel J. Menenzes charged with disposing of mortgaged property, was called before Justice Dyer Thursday. Some time ago Menenzes was arrested on complaint of Mrs. John Lambert who charged that he had disposed of mortgaged property belonging to the Lambert estate. The court granted a continuance to Oct. 9 at 2 o'clock p. m.

INSTALLING TELEPHONE SYSTEM.

J. C. Miller, plant chief of the Central Union Telephone company, began the installation of the private telephone exchange in the New Douglas hotel Thursday. The system will give private telephones in every room so that guests may talk either with local parties or long distance without leaving their rooms.

WILL MEET AT HIGH SCHOOL.

The Morgan County Teachers' association meeting called for Saturday, Oct. 2, at 1 o'clock, will be held in the high school auditorium instead of the circuit court room as previously announced.

J. H. Dial, Chairman.
Gertrude Stainsforth, Sec.

AUTOMOBILES

Prince Coates of Lynnville brought his family to the city yesterday in his Mitchell car.

Ben Davenport, of Alexander, came to the city yesterday in his Overland car.

Jacob Claus went to Winchester yesterday in a Willlys-Knight car.

Frank Garwood, wife and son were down from Springfield visiting Jacksonville friends, coming in their Winton 6 car.

Ona Crum, of Litchberry, journeyed to the city yesterday in his Ford car.

John Bernmeister, of the vicinity of Arcadia, made a trip to the city yesterday in his Maxwell car.

Edgar Thomas, of Virginia, made a trip to the city yesterday in his Pierce Arrow car.

FINE FARM AT PUBLIC SALE.

The undersigned will sell at public sale at Jacksonville at the south door of the court house of Morgan county, State of Illinois, on Saturday, Oct. 2, 1915, at 2 p. m., 106 2-3 acres described as follows: Southeast quarter of section 4, township 14, north range 8, west of 3rd principal meridian except 53 1-3 acres off west side of quarter section situated in Morgan county, Illinois. This farm is 2 3-4 miles south of Brown's Crossing, 5 3-4 miles southeast of New Berlin, is good level, black prairie land, well tiled, good producing farm with 5-room house, large, new barn, and other necessary buildings. Object of selling to settle estate. See the crop and lay of land to appreciate the farm. Terms of sale 10 per cent on day of sale and balance due Mar. 1, 1916, when the undersigned will execute a good deed of conveyance to purchaser thereof. Abstract of title furnished and same may be seen at the Warren Boynton state bank at New Berlin, Ill. H. C. Duwer, Lena Duwer and Minnie Ray, owners. C. M. Strawn, auctioneer.

FISKE O'HARA IN "KILKENNY."

Fiske O'Hara is to appear in this city Monday next in a new play by Augustus Pitou, Sr., entitled "Kilkenney." Mr. O'Hara is the recognized leading tenor in the field of Irish romantic comedy. He was the greatest of the Robin Hoods when he was singing with the B-tonsians and was headed toward grand opera when he turned to what he found the more congenial field, in which he now appears. Mr. O'Hara's manager, Augustus Pitou, Jr., has had five new songs written for his successful star, which Mr. O'Hara will sing in his new play.

TYPHOID FEVER IN MENARD CO., CAUSED BY POLLUTED WELLS

Dr. C. St. Clair Drake of the State Board of Health, Makes Statement of Situation.

"Sangamon river water, declared to be nothing less than dilute sawage," is responsible for the epidemic of typhoid fever in Menard county, which has stricken at least 150 persons, according to an official statement made by Dr. C. St. Clair Drake of the state board of health Thursday. The statement is based upon reports from investigators and experts now in charge of the situation.

All except one of the victims drank water from wells at the Old Salem chautauqua grounds, which were polluted by flood waters from the Sangamon. Dr. Drake says. The one exception, bathed in the Sangamon river and secured the disease germs in this way.

Patrons of the chautauqua drank the water from the polluted wells in spite of warning signs placed on the pumps, it is asserted.

Dr. Drake's statement is as follows:

Hundred and Fifty Stricken.

"At least one hundred and fifty persons, residents of Menard county and its immediate vicinity have been stricken with typhoid fever since September 10. Thus far, six deaths, have occurred.

"All of these cases developed within ten days, practically simultaneously, the communities most seriously affected being Petersburg, 60 cases; Athens, 17 cases; Greenville, 8; Mason City, 5; Tallula, 3; the balance being distributed throughout the rural districts and other towns and cities, among the latter being Chicago and Peoria. More recently advice has been received of 15 cases in Lincoln.

"On invitation of the Petersburg, Athens and Menard county authorities the State Board of Health assumed charge of the situation and immediately sent into the field its sanitary engineers, medical health officers, food inspectors and bacteriologist, for the purpose of determining the source of infection and to prevent the spread of the disease from the existing cases.

"Sangamon is to Blame." "Investigation clearly established the fact that every case is the result of drinking Sangamon river water which is nothing less than dilute sawage. Every victim of the disease, excepting one, and he was in the habit of bathing in the Sangamon river, drank water from the grossly polluted wells on the Chautauqua grounds at Petersburg.

"The chautauqua wells were completely submerged by the flood waters of the Sangamon river during the last days of the chautauqua assembly and notwithstanding this fact, which apparently was common knowledge the pumps were continued in operation and many of the visitors continued to consume the polluted water.

Public Is Warned.

"It is reported that the chautauqua authorities placed warning placards at the public service taps, advising visitors that the water was unfit for drinking purposes, but, apparently, this did not deter the thirsty from 'taking a chance.'

"The reports in hand point conclusively to the flooded wells on the chautauqua grounds as the source of infection."

Officers of the State Board of Health under the direction of Dr. St. Clair Drake, including Dr. E. F. Baker of Jacksonville, are putting forth extraordinary efforts to prevent secondary infections.

RAILROAD MEN GIVE VIEWS ON VALUATION

Washington, Sept. 30.—A committee of railroad presidents, headed by Samuel Rea of the Pennsylvania Lines, will appear before the Interstate Commerce Commission today to present their views upon the fundamental principles of physical valuation of railroads. The railroad magnates have views on valuation that differ materially with the government's plan of valuation. It is possible also that members of various state railroad commissions may be heard.

The work of valuing the railroads of the United States is one of the biggest undertakings ever begun by the government. So far it has cost about five millions of dollars, and five to seven years may be necessary to complete the work. Judge Charles A. Prouty is director of the valuation work for the Commission, and he has estimated the cost of the work at \$12,500,000. When the valuation of all lines is completed, the governments' estimates will form the basis for the making of all railroad rates.

REVIVAL AT SALVATION ARMY.

In our midst and probably unknown to many an old fashioned revival is in progress. No doubt many would be interested to know that God is graciously giving a marvelous outpouring of the Holy Ghost at the Salvation Army citadel. The revival is one where the converts come out to their feelings in prayer. The attendance has been large and there have been about forty conversions in the last two months.

CONGREGATIONAL CHURCH HOME COMING.

Attention is again called to the home coming at the Congregational church this evening. It should be the special effort and pleasure of all members of the church, Sunday school and congregation to be present and make the event as happy as possible.

F. J. Rockford, of Chicago, and Mr. Van Slyke, of Cleveland, of the White company, were transacting business with L. F. O'Donnell Thursday.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, S. Dakota. "I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. F. W. JANSSEN, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WILL OBSERVE NATIONAL WINDOW DISPLAY WEEK

LOCAL MERCHANTS TO JOIN IN COUNTRY WIDE MOVEMENT.

Special Window Prominence Will be Given Newspaper Advertised Products Week of Oct. 11 to 16—Courier and Journal to Offer Substantial Prizes—Auto Show in Central Park Part of the Plan.

The week of October 11 to 16 has been designated as "National Window Display Week." The idea back of this display week is to prove to general advertisers that retail dealers are more interested in pushing goods that are advertised in the newspapers than they are in other products. To aid this country-wide movement, the newspapers of various cities are calling the attention of merchants to the plan and asking them to make these special displays.

Prizes for Best Displays. In Jacksonville the Courier and the Journal, acting in conjunction with the Chamber of Commerce, are calling attention of merchants to the plan in a personal way. To stimulate interest in the project, the papers have agreed to offer substantial prizes of newspaper advertising space to be awarded to those merchants who make the best window displays. The plans are yet somewhat in the making but it has been agreed that the several lines of merchandise shall be divided into three groups and that first and second prizes shall be offered for each group. The first prize for each group will be a half page advertisement in both the Courier and the Journal, and the second prize for each group will be a quarter page advertisement in both the Courier and the Journal.

In connection with the window displays it is the plan to interest automobile agents in an automobile show or display for one day of the week, and permission has been secured from the park commissioners for the use of Central park for that event.

Will Attract Visitors. Every merchant who is handling any article advertised in newspapers in Chicago, St. Louis, Jacksonville or any other city, is urged to take part in display week. In many lines the merchants can secure attractive window display features from the manufacturers if they acquaint the manufacturers with their willingness to make special displays for this particular week. The local papers feel that with the merchants of the city vying with each other in this very important matter of window display for one entire week, that the attractions will be sufficient to merit the interest of many visitors from the county and that visits of city residents to the shopping district will be more frequent during the week than would otherwise be true.

It is the plan of the newspapers to call attention of the merchants to the window display project in a personal way but the invitation to join in the movement is general, and every merchant in the city is most cordially invited to participate. No expense attaches to the matter in any way. The papers will distribute to merchants who signify their willingness to take part special placards calling attention to the display and the necessary publicity will be given in the papers. The matter of the prize awards will be turned over to an impartial committee yet to be chosen and announced.

Good City Advertising. While cities everywhere are joining in this movement, it is the hope of the local papers that the Jacksonville observance of the week may be so notable that the special features will attract favorable attention from the bureau of advertising of the American Newspaper Publishers' association. If this can be accomplished features of the Jacksonville observance will be used in the printed matter constantly sent out by this bureau to every city of any size in the entire United States. The result would be a vast amount of free yet desirable publicity for the city of Jacksonville and this wide-spread acknowledgment of the public spirit and push shown by Jacksonville business men.

As already indicated, more complete details will be published later, but the important fact to remember now is that every merchant in Jacksonville should join in this good movement which can result only in general benefit for manufacturers, wholesalers and retailers and in a benefit to the public too, as it makes them more familiar with standard goods in all lines.

WOMAN'S CLUB NOTICE. For the convenience of those who have not paid their annual dues, the treasurer of the Jacksonville Woman's Club will be at Randall's book store Friday afternoon from 4 until 6 o'clock. Members who wish their names to appear in the year book must pay their dues on or before Oct. 1.

Anna G. Brown, Treasurer.

BAPTIST MISSION MEETING. Members of the First Baptist Mission will hold their regular Friday prayer service tonight at the home of Mr. and Mrs. Veerlin Daniels, 1036 North Fayette street. Those who attend will take eatables with them and enjoy a basket supper before the service.

WILL CHANGE RESIDENCE. Mr. and Mrs. T. C. McVicar will move this week from Westminster street to the Pitner property opposite the residence of Gates Strawn on Mound avenue.

QUINCY GAME CAN BE SEEN FOR DIME

MANAGEMENT WANTS TO BOOST ATHLETICS FOR HIGH SCHOOL.

Jacksonville Getting Ready for Contest Against Adams County Aggregation on Illinois Field Saturday Afternoon—Lineup is Announced.

Following close in the wake of an announcement at the High school Thursday morning, that the football game here Saturday, between Jacksonville High and Quincy High, could be seen by all students and faculty members for ten cents, came the word that anybody who wished to witness the contest could do so for the same price. The matter was decided at an assembly meeting yesterday afternoon and it occasioned a great wave of enthusiasm among the students, when the announcement was made by Faculty Manager T. P. Carter. It is safe to say that with the admission fee only ten cents to all, Illinois college gridiron will see one of the largest crowds ever assembled there to witness a football game. The reason for the special admission price came about in this manner: When the local management finally succeeded in gathering their schedule for the season together, from the four winds, it was understood that the Jacksonville team was to play Quincy Saturday. Tickets were issued and sold for the season. Information came from Quincy a few days ago, that they had a signed contract from Jacksonville for the game to be played here Saturday. When this became known the Jacksonville management sought a way out of the difficulty and so decided not to re-issue tickets, but to charge a low admission fee, which would be in reach of all the students of the city. To make the privilege more sweeping, it was later decided to let anyone through the gates for the two nickels.

Coach Huber has had his band of warriors out practicing against the scrubs of Illinois college and they are in much better shape than in the game against Carrollton. King is a new man to join the locals and is of the Killebrew type. Moichon will play full back, a position taken last Saturday by Day. Howard Reynolds the only former man on the team is playing strong and every position is being tested and strengthened for the fray Saturday.

Little is known of the strength of Quincy, but it is reported that they have a heavy line with a fairly fast back field. The Quincy men who will not be allowed to play here are a result of the Athletic Association rules are: Sinnock, Best, Boswell and Lusk. Quincy has just scheduled a Thanksgiving day with the Canton High school.

The lineup announced for Saturday but subject to change follows: Center—Sorrells. Right guard—King. Left guard—Walker. Right tackle—Scott. Left tackle—Arter. Right end—Reeve. Left end—Ferguson. Quarter back—Homer Reynolds. Left half back—Howard Reynolds. Right half back—Robert Priest. Full back—Moichon. Substitutes—Sanberg, Miller, Earl Priest and Cully.

BRAN NOW CHEAPER

Bran is now \$1.15 per 100 lbs. at J. H. Cain & Sons. Both phones 240.

SPORTSMEN MAY KILL PHEASANTS TODAY.

For the first time in the history of Illinois, sportsmen may shoot cock pheasants. The season this year is five days, Oct. 1 to 5, inclusive. More than 6,000 birds have been turned loose in the state this year by the state game and fish department and there are said to be many thousands in all parts of the state. The birds are descendants of English pheasants imported by the state years ago and have never been plentiful enough to permit open season shooting before.

Under a law passed by the last legislature it is only permissible to kill two birds in one day, so the limit per man for the season is ten birds. All those must be cock pheasants for hens are protected.

TO CHANGE RESIDENCE.

By a residence change which will be complete this week, Mr. and Mrs. Thomas Scott will remove from West Morgan street to their property at 140 Pine street. Mr. and Mrs. Harrison W. King, who have been living in the house owned by Mr. Scott, will take residence at 1136 W. State street, owned by them and occupied until recently by Mr. Rev. and Mrs. Howard D. French, who have removed to the L. W. Chambers property.

HORSE BREAKS LEG.

The delivery horse of George Schmalz broke a fore leg in crossing the Wabash tracks on North Main street at 10:30 o'clock Thursday forenoon. The horse had to be killed.

SEPTEMBER WAS RAINY.

Rainfall for September was 5.12 inch, according to G. H. Hall, weather observer at Alexander. This is 1.21 above the average from year to year. The mean temperature was 66.5 or .5 of a degree above normal.

HELD SUCCESSFUL BURGEO

The Salem Ladies' Aid society held a successful burgoo on the church lawn Wednesday evening. The net sum of \$54 was realized. Mr. and Mrs. William Davis and Mr. and Mrs. Edward Phillips had charge of the burgoo.

NEW SILOS AT SCHOOL FOR DEAF WILL SOON BE READY FOR USE

Have a Joint Capacity of 362 Tons
—State Hospital Will Use Garbage for Feeding Hogs.

The work of erecting two silos at the state school for the deaf is almost completed. The contract for these silos was let by the state board of administration to Sherman Luttrell and the silos are being constructed of vitrified hollow blocks glazed on one side and unglazed on the other. The construction work is practically completed but it is not thought best to use the silos for ten days and accordingly they will not be filled until that date.

Each silo has a capacity of 181 tons, and the institution is asking for bids for furnishing this silage. It is more difficult to settle a purchase of this kind on a bid than is true of other things, since the quality of corn for silage varies so greatly. It can be readily understood that a cornstalk which has two good ears on it is of more value than a stalk with one light ear. The purchases are to be made by weight and it is presumed that those in charge will after receiving bids inspect the fields from which the corn offered will be gathered. Because of this will be fed for the dairy herd at the school for the deaf, the requisition for alfalfa has been cut down very materially. It has been the custom in the past to early in the season put in a good supply of loose alfalfa and to supplement this later with baled, but the erection of the silos changes the feeding plans and no more alfalfa will be purchased this year.

At Jacksonville state hospital Dr. Hill, upon the advice of the state board of administration, determined to feed the garbage from the hospital kitchens to hogs instead of selling it as has been the custom for some time. Years ago the hospital authorities fed the garbage to hogs, but after some heavy losses by cholera the plan of receiving bids for the garbage and disposing of it in that way was adopted. The price realized from the garbage to the state has been from \$500 to \$700 per year, and the bid this year was considerably higher than the last mentioned figure. However, judging from experience at other institutions, the board of administration feels that it will be in the interest of economy for the local hospital to feed this garbage and the experiment is to be tried again. They doubtless figure that since the state has the feeding lots and that there will be no additional cost for labor, that unless disease attacks the hogs, that a larger profit than from the sale of the garbage will result. With a view to avoiding losses from disease most of the hogs purchased will be from immune herds or will be subjected to vaccination.

PASSAVANT TRUSTEES PREPARE FOR CAMPAIGN

Organized Appeal Will Be Made to Complete a \$100,000 Fund.

The campaign for the benefit of Passavant hospital is now assuming definite shape. The trustees held a meeting at the hospital last evening and discussed various matters pertaining to the enterprise and it was definitely decided to appeal to the public for \$100,000 and to regard the cost of the nurses' home, \$12,000, and its furnishings \$2,000, total \$15,000 as a beginning leaving \$85,000 to be raised. The chairman, or president of the board of trustees, was directed to appoint a campaign committee of six persons who shall be a general executive committee having in charge the management of the enterprise, the appointment of sub-committees and general work. A great deal of preliminary work will be needed and that is to be undertaken speedily and the whole matter pushed to a conclusion as rapidly as possible.

The people of this city and general community for a long distance about know the needs and value of the hospital and this appeal is for the welfare of an institution which lends its aid to the suffering and distressed, he hospital strives to aid all who are sick and wounded and just as far as its abilities will permit its services are given for nothing or for a nominal cost. The highest priced rooms there cost far less than the same kind of service would cost a patient at home and the inconvenience and expense of the invalid's care are saved. The people of this region should regard this as a privilege and it is hoped they will do so and they will soon have an opportunity to show the spirit that is in them.

JOSHUA RHODES MEMORIAL LIBRARY.

This evening at the home-coming social of the Congregational church a number of new books will be ready for inspection and circulation. A special invitation is extended to friends in the city, holding Rhodes library cards. During the month of October the library will be opened Wednesday afternoon from 3 till 5 o'clock, when books may be taken as well as at the regular church service. Any who are interested are invited to make use of this opportunity to become better acquainted with the library. Georgia M. Fairbank, librarian.

"SELL AND DELIVER FEED"

All kinds of "Feeds", "Hay", "Straw" and other animal feed are sold by "J. H. Cain & Sons". Both phones 240. Are delivered to all parts of the city.

ALTON OFFICIALS HERE.

Among the Alton officials here Thursday were James Mann, district freight agent of the Chicago & Alton with headquarters in Springfield; C. C. Anderson, district passenger agent for the Rock Island, and Phil A. Auer, assistant general agent of the Rock Island lines at St. Louis. D. C. Diltz and Mr. Auer are old friends. A number of years ago when Mr. Diltz was employed by the Rock Island, with headquarters at Port Worth, ex, he was under Mr. Auer. At that time Mr. Auer was employed by the New York lines.

CONCORD'S OLDEST CITIZEN.

The venerable Robert Digging of Concord was among the visitors in Jacksonville Thursday. He is 93 years of age and in enjoying a reasonable portion of health and strength.

EVERY DAY

NEXT WEEK

We Will Make a Special Display
of the wonderful

Copper Clad Ranges

and an expert from the factory will be on hand to demonstrate in a practical way the marvelous features of these modern cooking 'machines'

The Copper Clad Range is lined throughout with pure copper and is the only range in the world that can never rust out.

It has double panel doors and four ply walls, air-tight, unbreakable flue; plain nickel parts, without rivet heads or dirt-catching scrolls; concealed hinges and dozens of other features that no other range has or can have.

COME IN

Have a cup of delicious Drip Coffee and hot Alfalfa Biscuits with us, (there will be plenty of both) and see the range that has created a sensation in the hardware business.
